COUNTY MEN CALLED FOR ARMY PHYSICALS

Daly City Expected To Furnish 4 Draftees

Notices to the first of 167 San Mateo county men to report for the draft were in the mail this week.

It is expected that the majority of the men called up for physical examinations will be inducted in the armed forces before October 1.

Of the county quota, about four men will be taken from Daly City. This estimate is based on population figures.

Meanwhile, all men between the ages of 18 and 25 were reminded today that they must register for the draft immediately, if they are not already registered.

Men living in the Daly City area should report to Draft Board No. 57, 45 N. B street, San Mateo. There is no draft board in Daly City.

Mrs. Virginia Anderson, local draft board coordinator, said the county quota had been boosted from 111 men to 167. This was in keeping with the State Selective Service headquarters call for 3,000 men over the expected quota of 6,000.

The September draft quota for the state, of the 9,000 examined, is expected to be from 1,187 to 2,968.

Veteran Fireman Dies Wednesday

Funeral services were held Saturday from the mortuary of W. C. Lasswell and Co. for John K. Kapor, 49, who died Wednesday at a San Mateo hospital after a long illness.

Services were held under the auspices of the Veteran Firemen's Association of Daly City. Interment was at Olivet Memorial park.

A resident of Daly City for the past 25 years, Kapor was a member of the Daly City Fire Department, Colma - Vista Grande Aerie No. 1848, FOE, the Elato Social Club, the Sloga Otok Korkula Club of Sacramento and the Bakers Local Union No. 24.

He is survived by a widow, Linda Kapor of 119½ Santa Barbara, a son, Jack, and three daughters: Mrs. Jessie Peden, Mrs. Barbara Marrs, and Mrs. Velma Nelson. He also leaves his parents, Mr. and Mrs. Joseph Simoni.

HOW IT LOOKS FROM A CORNER

By BILL KATZ

One way to win at cards was demonstrated this week by an anxious young man in the Daly City library. He asked Librarian Marcia Trier for a book containing the Morse code. When the book had been procured, Mrs. Trier inquired if he were planning to pass a Boy Scout test. "Not on your life," was the quick reply, "I figure on using the code playing Canasta. Figure on tapping out my card hand to my brother who plays with me."

Which leads us to believe that a term with the Boy Scouts for this young card shark might save him a term in more confining quarters at some later date.

Sign of the Times: Managers of local pubs, bistros and taverns report that business has improved 100 per cent over the past four weeks. Men and women are drinking themselves to death to quiet their "Korean" nerves.

On the lighter side, Daly City's versatile garbage collector, Val Balbi, was demonstrating his sense of imaginative advertising this week. On the front of his garbage truck can be seen the life sized figure of a curvacious bathing beauty.

Tabbed, "Miss Sanitary Engineer of 1950," the pasteboard blond rides contentedly with Balbi & Co. as he makes his daily rounds. Which just goes to prove the truth of the old song "Paper Doll" . . . find me a gal, besides one with a cardboard figure, that will spend

BOYS CLUB BOXERS PUT ON GLOVES FRIDAY NIGHT

These are the stalwarts from the Daly City Boys Club who will climb into the ring against members of Sea Scout Ship No. 144 Friday evening, August 4. The 10 matches are to be held in the clubhouse, No. 2 Hillside boulevard, beginning at 8 p.m. Boxers are, left to right, back row: Joe Earnshaw and John Hebler; second row: Jerry Jastrumkie, Kenny Klees, Lala Huntsman and Joe Cardinale. Frank Bria Jr. stands to the front.

Boxing fans, parents, and those interested in having a good time are invited to attend the Daly City Boys Club boxing matches this Friday evening.

The three-round bouts will be held in the Daly City Boys Club headquarters, No. 2 Hillside boulevard. Time for the fights is scheduled at 8 p.m.

Tickets are now on sale, and may be purchased for a nominal sum from any Boys Club member, or from the Daly City Sea Scouts of Ship No. 144. Ducats also will be available at the door of the clubhouse.

Taking part in the 10 matches will be lads from the Boys Club and Sea Scout Ship. None of the boys is over 16, and they are out to win fame and glory.

"Anyone familiar with boxing knows that some of the best fights are put on by the small fry," Frank Bria, club director, said today. "I'm sure no one will want to miss this event."

And even if you don't plan to attend, why not buy a ticket? The money is to be used to procure more and better equipment for the hundreds of boys who take part in the club's activities every evening.

Also, a part of the "take" is to be given the Sea Scouts to further their work in this community.

Meanwhile, the enrollment of the Boys Club continues to grow as more and more lads take an active interest in everything from body building to choral work. These, and scores of other types of recreation, are offered all lads from 8 to 16 years.

Also, donations to help the club in its work are coming in every day, Bria reports. Latest donations are: Mr. and Mrs. A. L. Sundstrom, 174 Crocker, $25; Daly City Fire department, $20; C. Holmes, 772 Stewart, $5; Jimmy Welsh, $2; George Augustien, $2.

If you have time, or money to give to the club, please contact Mrs. Marion McKaskle, club secretary, at PL 5-2574.

And in case you have an old piano around the house, it could be put into good use by the lads taking choral training. The boys are desperately in need of such an instrument, and any piano, regardless of age or condition, is welcome.

D. C. PREPARES FOR POSSIBLE BIG SCALE WAR

Disaster Council To Be Reorganized

Speeding plans for reorganization of the Daly City disaster council, Daly City firemen and police this week were asked for their full support of the organization.

Orrin Wendling, city administrative officer, said questionnaires had been sent out to each fireman and each policeman to determine what roll they would play if Daly City was ever hit by bombs.

This is the first step in reactivating the council which took a lead throughout the Bay area in such preparation during the last war.

"As yet, we are not planning all-out mobilization of the organization," Wendling noted. "For the present we wish to have the groundwork prepared in case it is necessary to call up the whole group at some future date."

Meanwhile, the city council was investigating methods of protecting this city from any attack, as well as other emergencies in case of an all-out war.

Further information may be obtained by calling Wendling at PL 5-0850.

DC Band Needs Members; Marines Take 10 Players

Carrying a rifle instead of a musical instrument today are 10 members of the Daly City Band who left for active duty with the marines and navy this week.

Bandmaster George Brenner reports nine of the men left with the Twelfth Infantry reserve unit. Jim Lauffenberger, trombone player, was the only one of the group called up in the navy reserve.

The call took one-third of the band members, and there are now 22 players left.

Consequently, if the band is to carry on, it is imperative that it get new members immediately, Brenner said.

Anyone with band experience is requested to join the band.

Further information may be obtained by calling Brenner at PR 5-6043, or by attending the regular weekly meetings of the band at Bellevue Hall, 300 Bellevue.

Members of the band called up by the marines include Fred Da Scalla, Ernest Thompson, Raymond Simmons, James White, William Schembria, Arthur Schembria, Arthur Schembria, Frank Tringili, Sharles Gleisner, Bill Trafferer and Al Sheppard.

Instrumentalists needed to fill these vacancies include: clarinet, flute, French horn, clarinet, drums, trombone.

Dan Anderson Moves Back To D. C. Theatre

Dan Anderson this week returned to his former position as manager of the Daly City Theatre.

Earlier this summer he left the Daly City Theatre to take over the management of the new Serra Theatre on Junipero Serra boulevard.

However, now that the new venture is well underway, Anderson is returning to home pastures.

Bill Pappas, who took over the local theatre while Anderson was away, will now go to the Serra.

School Board OK's Bldg. Program... Rest Up To Voters Sept. 29

Moving toward elimination of "swing shift" education, the Jefferson elementary school board this week approved plans for 64 new classrooms in the Daly City area.

The rest is up to the voters. They will be asked to approve three new schools, and improvement of two existing schools at a special bond election September 29.

Total cost of the project is estimated at close to three million dollars. However, James Snell, superintendent of schools, said that the residents of the local district need bond themselves for only $295,000. The remainder will come from a state loan which over a period of 30 years may, or may not be paid back, depending on the district's ability.

"The voters will be asked to approve borrowing close to 2½ million dollars from the state. However, as the maximum bond retirement rate is 40 cents, it is probable that only a very small part of the debt will ever be paid," Snell explained.

In a word, the 2½ million is almost an outright grant by the state, and needs only the approval of the voters.

Total cost of the whole project to individual tax payers is not expected to be more than a penny a day.

And what will those pennies purchase:

1. Full-time education for hundreds of local children who, through lack of facilities, will only be able to go to school half a day.

2. The program is based on needs for two years. The population of the Jefferson elementary school district has almost doubled in the past decade. The school attendance is expected to increase from 2,130

Joe Lewkowitz Jr. Pitches No-Hit No-Run Game Against SF Team Sunday

Another Daly City pitcher entered the baseball hall of fame this week by pitching a no-hit, no-run game last Sunday.

Joe Lewkowitz Jr., 15-year-old son of Mr. and Mrs. Joe Lewkowitz, won the honor for the Daly City Red Sox.

In nine fast innings on the mound against the San Francisco Pirates, Joe faced 20 batters. Of these, he struck out 11 and walked three. Only four of them even got started toward first base.

Final score in the game was 11 to 0 in favor of the Red Sox.

Joe has been pitching for the last 1½ years, but this is his first no-hit, no-run game. In fact, in all of Daly City during the past decade only one other pitcher, Ed Cereghino, has pitched such a game. (Correct us, if we're wrong.)

The six-foot-four-inch 180-pound Red Sox star is planning to go to greater triumphs in the coming season.

Ray Rosa and Izzy Galente led the Red Sox's eight-hit attack with two hits apiece.

On the defensive side the Red Sox played errorless ball, with Izzy and Joe Galente both making sparkling stops on ground balls. The play of the day, however, was turned in by the Pirate third baseman who made a back-handed stop of Rich McDonough's slashing grounder and threw him out at

Car Turns Over; Driver Walks Off

Miraculously escaping death when his car turned over on the Alemany extension Monday afternoon, a San Francisco man today was recovering from chest and forehead abrasions.

Injured, and treated at Junipero Serra hospital was Richard E. Behrens, 26, 37 Wilder avenue, a San Francisco truck salesman.

According to police, Behrens had just turned off Junipero Serra and was near Sheffield road in Westlake when a car driven by Allen H. Eber, also of San Francisco, made a turn into the Westlake street.

Behrens, who was on the right hand side of Eber, slammed on his brakes, but his front fender caught in the back fender of the Eber vehicle. The next second Behrens' car spun around and turned over on the highway.

When police arrived, Behrens climbed out of the demolished car, escaping death with cuts and abrasions about his face and chest.

No citations were issued pending investigation of the case, police said.

Community Chest Drive To Be Held In Daly City October 1

Daly City residents will be asked to open their hearts and their pocketbooks October 1 for the annual Community Chest drive.

This year's drive will differ from other years as the total quota (still to be announced) will be collected on one day only. It is felt this plan will be less of a nuisance to residents and more effective in collecting the total sum.

The city chairmen will be named in the Daly City Record next week.

In preparation for the drive, all interested members of the community this week were invited to visit the various agencies served by the community chest. Those who would like to make such a tour are asked to contact Mrs. Lloyd Underwood at DIamond 4-2518, Burlingame.

This week several representatives of Daly City made the round of the agencies and learned where the dollars collected by the chest are employed.

DC Boy Recovers From Polio Attack

Jerome Ennis, 12-year-old son of Mr. and Mrs. Richard J. Ennis, 139 Irvington street, will return home about August 12, following an atack of polio July 4.

The Our Lady of Perpetual Help school eighth grader was the second child struck by the dread disease in San Mateo county this year.

Dr. Thomas Cornwall, Jerome's doctor, said the boy was suffering from bulbar polio, which paralyses the throat and face.

Today Mrs. Ennis reports her son's condition as better, and believes he will suffer no after effects of the disease. Jerome will be kept home until some time after Chirstmas when the polio has completely disappeared, Mrs. Ennis said.

Another Small Grass Fire Reported Tuesday

Another in the series of small grass fires was reported at 2:10 p. m. Tuesday.

Three Daly City fire engines rushed to the scene and had the blaze, at the back of 117 Santa Barbara, under control minutes after the alarm was turned in.

Bayshore Fire Sweeps 75 Acres

Burned completely over today are 50 to 75 acres of grass and brush, lost when a fire swept the hills of the Crocker estate near the Cow Palace Friday afternoon.

The blaze, probably started by children playing with matches, was whipped by a strong wind which carried it within 100 feet of an old Army radio station.

Four hours after the fire started it was brought under control at 5 p.m. with the aid of six fire trucks.

The county forest service reported that the hillsides are used by many children and that some of them probably lit the match which set the fire.

Operators of a quarry near the fire, fearing that the blaze might creep to their explosives building, cut a fire trail to protect the quarry buildings.

The forest service blaze busters were assisted by two trucks from the Bayshore fire district.

D C Eagles Plan To Pursue Deep Sea Fish August 28

Isaac Walton fans, and just plain fishermen, attention.

The Colma-Vista Aerie No. 1848, FOE, is planning a fishing excursion to Santa Cruz on the week end of August 26 for all Eagles.

A bus will be chartered to leave Daly City around 11 p.m. on Saturday night.

Those interested in deep sea fishing will be able to leave Santa Cruz on the fishing boat early Sunday morning on a two- to three-hour trip to an island off the coast.

A first prize of $10 will be awarded to the Eagle who catches the longest fish, and a prize of $2 goes to the Eagle with the shortest fish.

Other prizes will be given for the member catching the heaviest, first and most fish.

Several landlubber members will make the trip to have an outing on the beach, and to watch a local double header baseball game.

The bus will return from Santa Cruz early Sunday evening, August 27.

Members are urged to sign up immediately since only a limited number can be accommodated.

Details may be secured from Al Davis, chairman, or from Secretary Tom Rae, or Del Fehl of the committee handling the arrangements.

Halt Communism At Home; FBI Asks Full Cooperation

Statement of J. Edgar Hoover
Director
Federal Bureau of Investigation

The internal security of the United States can be assured with the cooperation, aid and assistance of every law-abiding person in our nation.

The President of the United States in restating the responsibilities of the Federal Bureau of Investigation has called upon all law enforcement officers, patriotic organizations and individuals to report information pertaining to espionage, sabotage and subversive activities to the FBI.

Plans have already been made and are in operation whereby the law enforcement agencies of the nation are working in close cooperation with the FBI.

The following suggestions are being made to assist patriotic organizations and individuals in complying with the President's request:

1. The FBI is as near to you as your telephone. The first page of every telephone book in the country lists the nearest office of the FBI. You can communicate with the FBI by telephone, letter or call at our nearest office.

2. Feel free to furnish all facts in your possession. Many times a small bit of information might furnish the data we are seeking. If you have any information on sabotage, espionage, or subversive activities, contact the FBI.

3. The FBI is interested in receiving facts; we are not interested in what a person thinks but in what he does which undermines our internal security. Avoid report-

You Must Register Now To Vote

All those wishing to vote in the School Bond election, September 29 (who are not registered voters) must register before the 2nd week of this month

Voters may register at the city clerk's office in the city hall, or at the home of Mrs. Marliave, 165 Westdale in Westlake.

To participate in the election, and to be qualified to register, a person must be of age and have resided in the state one year, the county 90 days, and in the precinct 40 days previous to the election.

Also, all residents are reminded to register for the county and state election November 7.

Westlake Man Taken For Ride Walks Home Minus Car, $600

Sheriff's deputies today were searching for the man who early Friday robbed a Daly City man of $600.

Robbery victim is Fred Armstrong, 39, 322 Westlake avenue.

Armstrong told deputies that he was robbed shortly after he left a Daly City bar. He did not determine the place of the robbery, although it was somewhere in the Colma area.

He told officers that Thursday afternoon he took $200 from his bank in Colma, then borrowed $245 from two contractor friends in San Carlos.

Luella Holmgren, operator of the Good Fellows bar in Daly City, told officers that Armstrong had "several drinks" there late Thursday evening, and displayed a roll of bills.

A man, said to be fairly tall and about 30, went out of the bar with Armstrong and was seen getting in his car.

Armstrong said the man pointed a nickle-plated revolver at him, and told him to drive. He did not remember where he drove, but the car was later found on Hillside boulevard, in Colma near Lovchen Gardens.

The robbery victim, a San Carlos tile worker, was picked up by Harold L. Lutz of San Francisco at Market and Mission streets where he apparently had walked.

He said the bandit had taken the money from his wallet. The car keys had been thrown into the back seat, sheriff's deputies said.

Wedding

Miss Doris Mathisen became the bride of Paul Schmidt, Broadmoor Police Chief, in a lovely wedding at Woodside Sunday afternoon.

The Rev. Father John Mechan performed the double ring ceremony.

The bride's gown was of white satin with lace yoke and sleeves. Pearl-beaded roses outlined the neckline and her veil was decorated with a large lace heart on the train, and held in place by a sweetheart-shaped headpiece of pearls. She carried white roses, centered with an orchid.

The maid of honor's gown was green net over green taffeta with a green bolero, and she carried red roses.

The bridesmaids wore purple net over purple taffeta gowns, and carried yellow roses.

Arthur C. Mathisen escorted his daughter to the altar.

Dora Jean Mathisen was maid of honor, while Mrs. Frederick Schmidt of Brisbane and Jean Newton of Woodside were bridesmaids.

Frederick Smith was the best man, while Henry Smith and Carlos Villobos were ushers.

The Schmidts hope to be in their new Broadmoor home early in September.

Legion News

The Broadmoor Unit No. 824, American Legion Auxiliary, won first place in the twenty-sixth district for their history book of 1949-50 telling of the work done by the auxiliary.

Mrs. Peggy Merchant, unit historian, was informed by Charlotte Johnson, of the district, of the honor.

The book rated 90 per cent higher than necessary for competition on a state level. It has been sent to Bessie H. Cooper of San Diego, department historian, for judging.

New Playground

Tom Jenkins announced plans for the proposed playground have been completed. The playground will be placed next to the Community center on association property.

It will be open from 9 a.m. to 5 p.m. during the summer months. The area will be completely fenced and Stoneson has promised to furnish the lumber.

There will be sand boxes, swings, slides and exercise bars. Armen Terzian will be director.

The American Legion Auxiliary has collected donations from the following merchants for the equipment: King's Market, Weitzels Shoes, Carters, Baronial and Priscilla Bakery, Leslie's Dress Shop, Troy Cleaners, Broadmoor Pharmacy, Dr. Arnot, Anderson and Nelson, Friends Union Oil, El Broadmoor Beauty Salon, Drs. Borchard, Bates, Bost, Platte, Cronon, Rector and Reese, Clyde E. King Barbershop and Kiddyville.

Others have promised to assist at the end of the month. Don Heager, association director, requests that any man who can help install the equipment to call him at PL 5-3183.

Church Building

The Broadmoor Community Presbyterian church building committee, architects and Elders are having a meeting this Friday night for the acceptance of the plans for the new church. Ground breaking will be in the near future.

Midway

The Jack Croftons returned this week from a 10-day vacation at Lake Tahoe. They are sporting beautiful sun tans, evidence of the nice weather they encountered.

Mrs. Ruth Skaverski was hostess Thursday evening, July 20, at a surprize baby shower for Mrs. Esther Schmidt. Those attending included Esther's family and her many neighbors.

Mr. and Mrs. Howard Neilson and their son have returned from a trip up north as far as Canada, followed by a trip to San Jose, where Mrs. Neilson spent two weeks with her family while her husband made a business trip.

Nimitz

Mr. and Mrs. Dale J. Stookey and daughter Donna returned last week end from visiting relatives in Denver, Colorado, and Utah. Their son Richard is staying on for two more weeks in Utah.

Eighty-seventh

This must be old home month for Mr. and Mrs. John Feis. Mrs. Feis' mother and father, Mr. and Mrs. G. Y. Bowman of Dallas, Texas, spent the last three weeks visiting them. Her brother, Maj. G. H. Bowman, expects to stop for a visit sometime this month while en route to Japan.

Mr. and Mrs. Jack Politis had house guests, Mr. and Mrs. Paul Woodward and family from South Bend, Indiana. Mr. and Mrs. Politis should be on our chamber of commerce, as they spoke so brightly of our state that the Paul Woodwards have decided to make California their home.

Mr. and Mrs. Charles Mueller of Portland, Oregon, spent the week end with Mr. and Mrs. Jack Politis.

Maddux

We hope little Paula Baumgartener will be feeling better after her round with the flu.

We understand there was a neighborhood canasta party last Thursday night at the home of Mrs. Richard Cress. Attending were Mesdames: Jean Proctor, Pearl Harris, Mary Contreras, Doris Menary, Irene Parks and Betty Hart.

Mr. and Mrs. Al Harris and children have returned from two weeks in Yosemite.

Sweetwood Drive

Mrs. Margaret Smith of Los Angeles is visiting Mr. and Mrs. "Bill" Merchant and family.

Mr. and Mrs. Herbert Kern and daughter have returned from a vacation in Los Angeles and points of interest.

A surprise birthday party was given for Chet Mattison on July 28. Twelve people attended the birthday celebration which turned into a (guess what) canasta party.

Welcome to Newcomers: Col. Green and wife and their children. Hope they will be happy in Broadmoor.

The Rogan Edlers spent the week end at Lake Tahoe fishing. Whew! What a trip, and I thought my husband was a fisherman.

Chris and Virginia Gensios returned from a three-week vacation in Texas.

Mr. and Mrs. Gordon Jones returned Sunday from a week at Lake Tahoe.

Louvaine Drive

The men's fellowship of the Broadmoor Presbyterian church held a barbecue in the backyard at the home of Mr. and Mrs. Howard Richardson recently. From all we have heard, it was a huge success.

Wildwood Avenue

Mr. and Mrs. Bill Parks and children have returned from a week in Yosemite.

Thornhill Drive

Mr. and Mrs. William Hubrecht had house guests, Mrs. Hubrecht's mother, Mrs. Clyde Mitchell, and brother, Clyde Mitchell II, from Indianapolis. They arrived to welcome grandson Michael William Hubrecht, born July 2 at St. Joseph's hospital at 7 pounds 12 ounces.

Stoneyford

Mr. and Mrs. R. J. Roscow gave a birthday party for their daughter Leanne, who was six years old last Monday. Attending the party were Margaret Shields, Sandra Woods, Caroline Horn, Jackie Nolli and Bunn Shinazy.

Beachwood

(A word to the wise is sufficient)

Little Gregory Moore, 1½ years old, is recovering from a dose of sleeping tablets taken by mistake recently. He was rushed to the emergency hospital to have his stomach pumped, and that is what saved him.

Larchmont

The Rev. and Mrs. Glasse had guests, Mr. and Mrs. Nipper from Los Angeles visiting them this week. Their daughter, Mary Jean, had a girl friend visiting her, Miss Florence Hawksworth of Alaska. Speaking of Mary, we understand she will be moderator of the Youth Presbytery for a year. Mother and father are pretty proud, and well they should be.

Garden Village

Miss Venia Mayberry of Visalia is spending a couple of weeks with her aunt and uncle, Mr. and Mrs. Jack Gordon.

Jed Cyr, son of Mr. and Mrs. J. E. Cyr, is in the St. Joseph's hospital recovering from an appendectomy performed last Friday.

Mrs. Paul Stockman, No. 2 Garden Gateway, died July 26 after a long illness.

Mr. and Mrs. Carroll Justice and two children from Los Angeles are visiting with Mr. and Mrs. D. W. Griffis. Mrs. Justice is the sister of Mr. Griffis.

Dr. and Mrs. Raymond Moffitt had for week-end guests Mrs. Moffit's parents, Mr. and Mrs. John S. Gingrich of Hanford, Connecticut.

Mr. and Mrs. Wayne Atwood had as houseguest Mrs. Margarite Gibson from the University of Washington at Seattle, and Mrs. Atwood's sister, Mrs. Eva Conroy, head of the X-ray department for the county of Los Angeles hospital.

Mr. and Mrs. Herchel Jones had for week-end guests Dr. and Mrs. J. Roy Jones and Mr. and Mrs. J. Roy Jones Jr. of Sacramento. All attended the grand opening of the new S&H Green Stamp offices and display rooms.

Mr. Herchel Jones', former commanding officer in the army, Frank Kent, wife and daughter Patti from Virgina are vacationing in California and surprised the Jones' with a short stopover in San Francisco.

Here and There

Edward Dennis Jr. has been at Boy Scout camp Pomponio at La Honda.

Miss Trainer, Mrs. Hopper, Mrs. Edward Dennis, Mrs. John Dennis and Miss Genevieve Gannon spent afternoon tea at Allied Arts recently, and then took a tour through the Stanford Chapel at Palo Alto on a lovely warm afternoon.

The Girl Scouts have folk dancing every Wednesday afternoon at the Colma Community center under the direction of Miss Marion Griffis.

Angelo Tuvo Jr. is visiting his grandmother in Palo Alto.

Mr .and Mrs. C. H. Rhodes of San Francisco were dinner guests of Mr. and Mrs. Jerry Hopper.

The Hogmans Association picnic was highlighted by an abundance of eating, dancing, singing and laughing. Cooks Arrata and Martini barbecued steaks, while the Association wives furnished the rest of the food. Attending were Mr. and Mrs. Gino Landi and family, Angelo and Flora Martinelli, Leo and Clara Guiste, G. Armenino and Mario and Mary Shapari. Music was furnished by Leo Guiste's orchestra of Daly City.

Mr. and Mrs. Angelo Tuvo spent Sunday evening with Mr. and Mrs. Jerry Hopper.

her every hour astride the front of a garbage truck. If that isn't true love, what is?

Last Friday afternoon we spent a pleasant few hours touring some of the agencies financed in part, or in whole by the Community Chest. We'd recommend this tour to anyone who is dubious about giving a few dollars to a charitable organization.

During the afternoon we visited a children's home where youngsters are given an opportunity to regain both moral and physical health, thanks to donations from the Community Chest. We also spent some time at the Catholic Social Service which takes care of such diverse things as finding foster homes for children and securing pajamas for boys and girls at camp.

By the by, if you have any pajamas around the house which are no longer in use, why not send them to the Social Service center at 217 Baldwin avenue, San Mateo?

We also visited the Blood Bank, the YMCA headquarters and the Council of Social Agencies. Each one of these groups is dedicated to helping you and yours.

One thing became evident from the tour, when you give a dollar to the Community Chest, you're not only helping some less fortunate member of the community, but you are also assisting yourself and your family. If you don't believe this, make a tour of the agencies. We'd be glad to arrange such a trip for you, or your club.

Enter Adult Ping-Pong Tourney Now

Entries for the first Daly City table tennis tournament are flooding the Recreation Department office this week, Elman Rose, director, said today.

The tournament will be run off August 9 at the Jefferson High school game room.

Among the entrants this week were Mayor Paul Green, Councilman James H. Kennedy and City Attorney Frank Blum.

There are two divisions open—men and women. The group will consist of adults and a few teenagers.

Practice for the tournament can be had at the game room from 7 p.m. to 9 p.m. every week night.

Everyone is welcome to participate, although entries close August 6.

Entry forms are now available at the Daly City Water office, at the theatres, and at the Jefferson High school game room.

ing malicious gossip or idle rumors.

4. Do not circulate rumors about subversive activities, or draw conclusions from information you furnish the FBI. The data you possess might be incomplete or only partially accurate. By drawing conclusions based on insufficient evidence grave injustices might result to innocent persons.

5. Once you have reported your information to the FBI do not endeavor to make private investigations. This can best be done by trained investigators who have access to data acquired over the years on individuals engaged in subversive activities. Hysteria, witch-hunts and vigilantes weaken internal security. Investigations involving internal security require care and painstaking effort. We all can contribute to our internal security by protecting the innocent as well as by identifying the enemies within our midst. In cases involving espionage it is more important to identify spies, their contacts, sources of information, and methods of communications than to make immediate arrests.

6. Be alert. The greatest defenders against sabotage are the loyal American workmen who are producing the materials and weapons for the defense. They can be the "watch dogs" of defense in every walk of life.

7. The forces which are most anxious to weaken our internal security are not always easy to identify. Communists have been trained in deceit and secretly work toward the day when they hope to replace our American way of life with a Communist dictatorship. They utilize cleverly camouflaged movements, such as some peace groups and civil rights organizations, to achieve their sinister purposes. While they as individuals are difficult to identify, the Communist Party line is clear. Its first concern is the advancement of Soviet Russia and the godless Communist cause. It is important to learn to know the enemies of the American way of life.

California's gigantic agricultural industry will go on parade in the exhibits of more than 40 counties during the California State Fair, August 31 through September 10.

Community Chest Opens Drive

(Continued from Page 1)

City Record we will print a first hand report of the agencies as seen through the eyes of a guest correspondent. This week Mrs. June Dutton tells of the Girl Scouts:

I don't suppose there is anyone who does not know who the Girl Scouts are. But though we may all be aware of their presence, some 5,000 strong, here in San Mateo county, not enough of us know just exactly what these girls in scouting are doing or what is being done for them through Community Chest dollars.

Stop thinking of the Girl Scout program as one which teaches school girls the art of producing a roaring camp fire without the aid of a match. The Girl Scouts have a plan of activity with tremendous scope, interest and value.

Take for example, the National Girl Scout program of aid for Europe's children. On our recent tour we learned how the girls in this country have adopted this project. The Scouts make cloth bags which they fill with school supplies and other American luxuries for the school children overseas. When a certain number of bags are made and filled the girls earn money, through troop activities, to cover the cost of mailing the kits, as the Scouts call them, abroad.

Still, the outdoor life does take the spotlight in the summer when the three councils in this county, the North County Federation, the Central County Council and the Sequoia area, all cooperate in the camping program. Any girl in San Mateo county may attend the High Sierra camp and two sentinels at Lake Kirkwood off the Kit Carson Pass.

In addition to their established camps the three councils have their own summer day camp for Brownies as well as older scouts. Serving as aides at some of these day camps are senior scouts who have trained in program assistance.

Cooperation among the three councils in this county is evident not only in the camping program, but in the training of leaders and board members. Professional scout workers see that this training is complete in all details in order that the Girl Scout program maintains its high standards thru its individual troops.

Presidio Chosen For SF Centennial Pageant

"A Century of Statehood," San Francisco's centennial pageant, will be presented nightly from September 2 to 9 in the San Francisco Presidio, it was announced this week by Ray Williamson, chairman of the San Francisco Centennial Committee, and the State Centennials Commission.

Construction of stage settings got under way this week and some 600 persons are being auditioned to participate in the pageant, which was written by Fred Gray of San Francisco. Gray also wrote the successful pageants presented by the Commission at Columbia, San Jose and Shasta.

Circus acts, clowns, bands and strolling musicians will provide free entertainment 14 hours each day during the California State Fair, August 31 through September 10.

New Class Rooms For Daly City

(Continued from Page 1)

at present to 4,861 by the end of 1951.

Where are these children going to be educated, if even the present facilities are inadequate?

"The program is a modest one, considering the needs of our community and the local taxpayer," Andrew Van Der Werff, president of the school board, said.

As adopted, the building program calls for:

1. A 14-classroom school in Westlake. This will include grades from kindergarten through the sixth, with 12 elementary rooms, 2 kindergarten rooms, a library, general use room, and other standard facilities.

2. An 18-classroom school in Broadmoor, on the upper Garden Village school site. This includes the classrooms, two home economics rooms, a shop, a music room, administration, and other facilities. This will be for grades 6 to 8.

3. A 23-classroom school, upper and lower, in Colma at Hillside and Market. This includes two kindergarten rooms, a home economics room, a shop, two libraries and a multiple use unit.

4. A multi-use room at Woodrow Wilson primary school (estimated area 6,780 square feet), in addition to paving for the school grounds.

5. Six additional classrooms for the lower Garden Village school, including a library, kindergarten, multi-purpose room and so on.

The upper Colma school is designed to serve all seventh and eighth grade pupils now attending General Pershing, Crocker, Woodrow Wilson and those living in the Jefferson school area. This will leave room in these schools to handle the lower grades without need of the double session.

The Garden Village schools and the Westlake school will serve all residents living west of Junipero Serra boulevard. This, too, will relieve the load on the primary schools east of the boulevard.

It can be seen the plans will afford everyone in the district an equitable share in the improvements.

Plans and estimates for the schools were drawn up by Architect Mario Ciampi.

These have been submitted to the state for approval, and the exact figure as to cost of the project will be released with the go ahead from the state, Snell said.

"It is an absolute necessity that this bond issue is approved by the voters," Mike Callan, member of the board stated today. "Anyone who fails to vote is failing the children of this district."

Mrs. Helen Cheatham, clerk of the board, added that it will require a two-thirds vote of approval for the bond issue. "I'd like to meet the man, or woman who would sacrifice the welfare of our future citizens to save one cent a day."

Certain that the community as a whole will back the school building plan, the board named prominent members of the community to a steering committee for the coming election. Names of these leaders, as well as others who give their support to the bond issue will be published from time to time in the Daly City Record.

The steering committee is to meet August 9 to draw up plans and means by which the dire need of school children can best be brought before the public.

Typhoid Kills Colma Housewife

Struck down by typhoid, Mrs. Lena Ordonez, rt. 1, box 417, Colma died in Community Hospital Tuesday, the county health and welfare department reported today.

This was the first case of fatal typhoid fever reported in San Mateo county in several years.

Dr. Harold D. Chope, county health director, said that an investigation has been made to determine where Mrs. Ordonez got the typhoid germs, but that the only possibility is through the eating of clams.

Before she became ill two weeks ago, she had eaten clams gathered along the bay shore, about 300 yards south of the Burlingame sewage treatment plant.

Others who ate from the same batch of clams had mild stomach upsets, but did not show signs of typhoid fever.

Dr. Chope warned that it is dangerous to eat any clams gathered in the bay. He pointed out that during the winter months the clams may be contaminated by sewage pumped into the bay.

Sgt. Klinger Now A Warrant Officer

First Sergeant Jack Klingler of Battery "B," 149th Anti-Aircraft Artillery has been promoted to warrant officer for Battery B.

Klingler has been with the organization for the past three years as "administrative assistant" at the San Bruno Navy Base, Tanforan, where Battery "B" is located. Jack and his wife and two children live in Daly City.

A veteran of World War II, Jack has come up through the ranks to this well-earned promotion. His brother "Nelson," who lives in San Bruno, was recently appointed supervisor of the new service center No. 19 which has been activated in conjunction with the San Mateo Armory, for the 149th Anti-Aircraft Artillery Battalion.

Washington Territory was organized in 1853 from a part of the Oregon Territory.

Congress authorized minting of $50 gold slugs at the famous Mount Ophir Mint in Mariposa County in 1851.

Colma PTA Board Meeting Slated

Officials of the Colma PTA this week were working out plans for the coming school year.

In charge of the planning committee is Mrs. John Dennis, assisted by Mrs. Jerry Hopper, PTA president.

The ladies will have their detailed report ready for the planning committee and the year book group in the near future.

Meanwhile, the first executive board meeting of the new school year is slated for August 29. All members are urged to attend. Time and place of the meeting will be announced at a later date.

Lutheran Church Prays For Peace

Lutheran Church of Broadmoor will continue to implore Almighty God for guidance and divine aid in the averting of a global war, and for protection and comfort to the fighting men of our land, in the special prayer which will be offered again this Sunday at Broadmoor Community Recreation Center, White St. off 87th St.

Christian people not having a Church home of their own, are encouraged to join this new congregation in heartfelt and united prayer for peace this Sunday and every Sunday.

The pastor announces that this Sunday the last sermon on the series of addresses on the Ten Commandments will be conducted. The sermon theme will be: "Our Lord's Warning of Covetousness!" The Lutheran and unchurched public are invited.

Broadmoor Legion Offers Beginning Folk Dancing Class

Adult beginning folk dancing classes are now being organized in Broadmoor.

Under the supervision of the Broadmoor American Legion Post No. 824, the "Village Dancers" will meet each Monday evening at 8 o'clock in the Broadmoor Community center.

There is no charge for the class and applicants will be accepted from now until August 31 when the period of beginning instruction ends.

Kenneth Sprague of South San Francisco is in charge of the class.

Remember, if you are an adult, or a teen-ager interested in folk dancing, this is a fine method of learning. See you, this Monday.

Mrs. Margaret LaHaye

Requiem high mass was recited at Our Lady of Perpetual Help church Monday morning for a pioneer resident of Daly City, Mrs. Margaret LaHaye, 52 76 Acton street.

Mrs. LaHaye was born in San Francisco, but spent all her life in Daly City.

She died at the Community hospital Friday morning following a long illness.

She is survived by her widower, William; a son, William Jr.; a daughter, Mrs. Dorothy Felix; a sister, Mrs. Katheryn Roberts, and a granddaughter, Nancy Felix.

Funeral services were held at W. C. Lasswell chapel, followed by the mass, thence to Golden Gate National cemetery.

Exhibitors at the California State Fair, August 31 through September 10, will compete for 14,109 ribbons, in addition to other awards.

NEWS OF YOUR NEIGHBORS

Mr. and Mrs. Enrico Bertini this week welcomed the first addition to their family. He is Kenneth Lawrence Bertini, who weighed in at 8 pounds 11½ ounces at St. Francisc hospital last Thursday afternoon. "Rico" was busy spreading the news of his good fortune this week to all his friends and patrons of Gelsi's Cavern where he is employed. Equally proud of their first grandson are Mr. and Mrs. Carl Potter, 220 Hillside, and Mr. and Mrs. Pete Savoia, 537 Greenwich street, San Francisco.

Mr. and Mrs. Kendall Gold, (Philis Ledham) and their two-month-old son are flying from New York August 2 for a month's visit in San Francisco. The prime purpose of the trip is to present John Philip to his only great grandmother, Mrs. Virginia Katz. The baby has been named for his well-known great uncle, Philip Katz, San Francisco public administrator.

Mr. and Mrs. Len Vermeer, proprietors of Edna's Beauty Shop, 7119 Mission, returned this week from a two-week vacation in Canada and the mid west. Travelling by car, the Vermeers covered some 7,000 miles during their two-week vacation. Chief stops included Windsor, Canada, northern Wisconsin, the Black Hills, Yellowstone park and Waukigan, Illinois. Mrs. Vermeer had the honor of calling Waukigan her home for many years. It was here that the comedian Jack Benny got the material for the majority of his jokes, and first saw the light of the world. The Vermeers returned from their vacation Sunday evening.

Ray Logan, 512 Ninetieth, Broadmoor, is recovering today from a knee operation. The past official of the Broadmoor American Legion Post No. 824 returned from a three-week stay in the hospital July 24. Ray says he isn't quite sure what sent him to the hospital. He woke up one morning, his knee aching, and the next morning, July 7, a doctor was working over the knee. He expects to be back to work before the month is out.

Here and There: Mrs. Inez Francis, 342 Frankfort street, recently underwent surgery at St. Luke's hospital.

Bill Henderson, 713 Bellevue avenue, is on a two-week vacation at Corpus Christi. When he returns, he will join the air force at Hamilton Field. Bill spent two years in the armed forces during the last war, of which 13 months were passed in Japan.

Angelo Capeschi (Bill's father) has left for a vacation in Springfield, Illinois. He will also visit in Corpus Christi later this summer.

Mr. and Mrs. Frank Cotter, 707 Bellevue avenue, are visiting relatives in Corning, California.

Mr. and Mrs. Milton Weckerlye, 130 Vista Grande, are now on a three-week vacation in the Clear Lake country. They left here Saturday and plan to "explore" the activities around Clear Lake before returning later this month.

Mrs. Marcia Trier, Daly City librarian, Tuesday attended the unveiling of the Dennis O'Keefe Plaque at the San Mateo County Free Library, Redwood City. The bronze plaque has recently been made honoring O'Keefe, former publisher of the Redwood City Times-Gazette, and now a resident of Menlo Park, for his generous gift to the library of a file of the first newspapers published in this county.

DALY CITY PLAYGROUND ACTIVITIES

Dramatics & Rhythmics
by Maurine Guymon

Last Thursday Loretta Bollentini brought her story of "The Good Little Bad Pig" and read it to the children at Jefferson School Playground. Loretta proved to be a good narrator and several other children are going to bring their own favorite stories.

"Snow White and the Seven Dwarfs" was received with loud applause at both Marchbanks and Jefferson Elementary playgrounds. In addition to the story, we had the songs from the Walt Disney movie on the phonograph and the children's enthusiasm showed that Snow White will always be a favorite.

Remember, Marchbanks playground is meeting at 101 Parkview on Tuesday and Thursday at 3. This meeting place is proving to be most successful, so come next week and get acquainted with the second volume of the "Mrs. Goose" stories.

CRAFT CENTERS
by James Kraywinkel

Last Monday morning the small children painted statues. These statues for some reason or another are always in demand. If they had their way, it would be statues every day. On Wednesday, the children made hanging ornaments. These were made by cutting out two squares of poster board and then from one corner cutting half way through them. When this was done, they traced four little birds and cut them out; these were to hang from each corner. After this was done, they were given a small bell. The bell was tied to a string and it hung from the center of the ornament.

The older children have been doing a variety of things. We now have leather from which small purses can be made, leather belts, etc.

The airplane modeling class is coming along fine. Most of the boys have finished one plane and will start their next one Tuesday night. More boys should come out for this—it is a good way to pass away an evening. Tuesday night at 7 p. m.—Parkview Craft Center. The planes are good but inexpensive. Come on out, boys.

This coming week the children will make rocking horses, turtles and as usual they will want the forever loved statues. If we get clay, there will be some flower pots made with pipe stems used for the figures.

Outing

Wednesday, July 26—18 boys and girls journeyed to Skateland at the beach and had themselves a time. After the roller skating, we all went to Playland and rode on various concessions.

Teen-Age Folk Dancers

Just a reminder. Castle Hall is open every Tuesday evening at 7 p. m. for those interested. Come on—don't be bashful. It's really a great deal of fun.

CROCKER PLAYGROUND
by Regina Warchot

Last week the children from the Crocker Playground went on two outings. Wednesday morning the children went to the San Francisco beach at 10:30 and hiked around the beach. Then everyone went to Skateland for 2 hours. Grant Ross won a free pass to Skateland by winning a 50-yard dash on skates. After skating, we had a picnic and then stayed at the beach and spent our money on rides. But only Karen and Sandra Holliday were lucky, for they won beautiful prizes for playing skee-ball.

Friday we went to Jefferson with all our pets for the All-City Pet Show (where I think every type of animal was on display). Then down to Marchbanks Park for a quick picnic and back to the playground again.

Thursday was dress-up day at the playground. Jerry Stevens walked away with the first prize for his beautiful duck costume. We had beautiful senioritas, cowboys, pioneers, dressed-up ladies, and gypsies. All contestants received a prize.

This week we are going to have a vehicle day on Thursday, August 3. Don't forget to tell your friends to bring any kind of coaster, bike, or any other vehicle to Crocker. And Saturday we are going to the Seals Baseball game.

Next week there will be a boxing tournament Friday and a table tennis tournament. Be sure to come and join in the fun at Crocker.

Mrs. Lena Ordonez

Funeral services were held at the W. C. Lasswell chapel Wednesday afternoon for Mrs. Lena Ordonez, 48, rt. 1, box 417, Colma.

Mrs. Ordonez died at a San Mateo hospital Tuesday following a short illness.

She is survived by her widower Fermin; a son, Faustino Quetevis; a sister, Mrs. Annie Avila.

The services were private, and the place of interment not revealed.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449

San Mateo county authorities were notified last week of a prowling degenerate that approached two small boys up near the quarry. That was a week ago Wednesday, and the police brought two men in that same evening for identification, but they were released. The two boys gave a very clear description of the man, and the police are still on the lookout.

This is by way of being a tip to parents in the valley. The youngsters here are fascinated by the quarry, making trips up there to play, and, in some instances, older boys camp out overnight. The village too, has had a prowler. Whether or not it is the same man is not known, but warn the boys about traveling in small groups for a while. When you stray off the streets, kids, be sure there are three or more of you in a group.

Fires

A couple of small fires in the valley. A few home that is not quite finished, at Talbert and MacDonald blazed up, but the damage was slight. Another was in the rear of the old building at 10 MacDonald avenue, near Bayshore. In both instances the fires were started by youngsters. It is believed that they are not children from the immediate neighborhood, because some neighbors got a good look at them, and reported that they were boys that they had never seen before. Keep an eye out for strange boys that you see prowling deserted buildings.

The Roy Kessel family, of 121 Rio Verde, have had a houseful. Frieda's sister, Viola Marweg, and a girl friend, made a three-day visit from St. Paul, Minnesota. At the persent time, Frieda's mother, Mrs. Marie Marweg, and her niece, are visiting her from aWshington, time undecided.

Bad Fall

Bert Ford had a bad fall while on his trip to San Diego, and he is still pretty well shaken up. Bert won't tell where he hurts the worst. Isn't that just like a man? That boy must be taken in hand, Jessie.

Neil Dunford, of 380 Oriente street, was severely bitten by a police dog. They took Neil to the emergency hospital, and the doc reported that it was as bad as he had seen. The dog was an out-size police dog, belonging to Johnnie Laverne, also a resident of Oriente street. The dog was on its own lawn, and Neil wandered up onto it, and crunch! A too bad deal.

Elaine Stockman, of 998 Schwerin street, was married Tuesday. Married a boy from her home town of Boston, Massachusetts. Good luck, Eleaine, and all that goes with it. If George doesn't do right by our Nell, drop us a line. Bayshore is noted for its crusades and feudin'.

Moving

The Johnnie Hamptons are moving this week. They bought the Paul Thomas house, at 3175 Geneva avenue. Johnnie has the Shell station at Geneva avenue and Bayshore. He'll save gas. He can walk across the street to work now.

Speaking of the Paul Thomas home sale, the hot question of the week in Bayshore is, who will be appointed to the Bayshore Elementary School board, to fill the vacancy made by Paul Thomas, who is moving out of the district. Interested parties are in a lather. Dave Barry, newly-elected member of the board, is in the Army Reserve, and that could mean that Dave will have to pick up and leave any day, at the drop of a notification. If that comes to pass, it means that two out of three of our school trustees will be little men that aren't there. The third member is Mrs. Robertson.

The way that deal works in most cases is thisaway. The county appoints another person to fill the office for the duration of the term, which is three years. In most cases, they rely upon a recommendation from the local school board when selecting an appointee. This makes an interesting topic of discussion with the present set-up. The matter was discussed at a recent meeting of the Bayshore Improvement Club, but no names were mentioned as to possible candidates. The only hope that was voiced was that we hope to get someone in who will be able to fill out the term, then elect someone who will be around a while.

Rumors

Kay Young and Murrel Salsberry have formed a partnership. A new Dresden shop has blossomed forth on Leland avenue near Bayshore.

Rumor has it that the gals can really turn a choice bit of bric-a-brac. And that isnt' all. They are starting a course of lessons for all comers interested in the finer art of Dresden craft.

All the luck there is, girls. May you prosper long and mightily.

Company for the Louis Filarski's. A batch of cousins from Hanford are week-ending, and Alene is a busy housewife at the moment. Think I'd rather have my company unexpectedly. Saves so much work that will only have to be done over again when the company goes home anyway.

The Herb Dirks family report top fishing in Panquitch Lake, Utah. Herb and Mary Ellen spent three weeks up there, vacationing with Mary Ellen's folks. They brought back their two oldest boys, who had been summering up thar.

The teachers and officers of the Baptist Church had a summer meeting and picnic last Thursday, at Coyote Point. Enjoyable outing, and a change of scene.

The Sunday morning service at the Bayshore Baptist Church will be "All Ways the Same." Reverend Junkeit, regional director, will show pictures Sunday evening of various Sunday school groups and their activities and early Monday morn, our Reverend Windenham will leave on a two-week vacation, so he will not be present at Sunday services on the sixth and thirteenth of August. They have planned some very interesting Sunday services however, so our loss is not too great.

WESTLAKE WHIRL

by Marian Christians PLaza 5-0946

Mr. and Mrs. George Brown (Pat) of 115 Lake Vista drive announce the arrival of a baby girl, weighing 8 pounds 7 ounces on July 26 at Mt. Zion hospital.

She has been named Judith Anne, and has a two-year-old brother, Bobby. The "Anne" was in honor of St. Anne, as she arrived o nthe hour of St. Anne's Day.

With a new school for Westlake at stake September 29, all voters of this area were urged today to register. It will take every vote in the community to swing the almost $3 million bond issue, and unless it passes, the sand-swept site for a school will remain just that for another two years.

As planned, Westlake will have one new school for children from kindergarten through the fifth grade. It will contain 14 classrooms, and be erected at an approximate cost of some $626,000.

Work on the project is scheduled to begin shortly after the bond issue is passed September 29.

But to pass the issue, it will be necesary to have every Westlake voter turn out to the polls. Remember it requires a two-thirds "yes" vote if Westlake is to have its new school.

In view of this coming election, all non-registered voters should beat a hasty path to the door of Mrs. Marliave, 165 Westdale, who will be glad to register their names.

There are close to 600 persons now residing in this area. Of these, only 229 are eligible to vote. Let's double this number to be certain of a school.

Get out and register . . . now.

We learned today that the next meeting of the Westlake Property Owners Association will be held September 20, 1950, at the Jefferson High school auditorium.

Anyone who can't wait this long to air his, or her grievance is asked to write Harry Bosbery, patient secretary for the Association. He may be reached at 126 Westlawn avenue.

We're still awaiting some calls on our proposal to form a car pool for residents who obpect to walking a mile to a bus.

If you're interested in saving your "dogs" and the wear and tear on your pocketbook for taxi fair, why not call me at PL 5-0946?

Don't be bashful about phoning in items concerning your vacation trip and tribulations. The same telephone number as above should be consulted, if you wish to see your trip in print in this column.

Mrs. G. E. Leland, 117 Wilshire avenue, returned home July 22, after attending the funeral of her father, C. A. Rockefeller, in Inglewood the same day. Mr. Rockefeller died July 18.

Upon her return, Mrs. Leland entertained houseguests from Stockton. They were: Mr. and Mrs. J. Becker and daughters, Mary and Pat; Mr. and Mrs. Dick Hinsvork. After spending a few days with the Lelands, the guests left for Los Angeles.

Mr. and Mrs. William H. Martin from La Canada, California, were week-end guests at the home of Mr. and Mrs. Harold Forbes, 108 Wilshire, recently.

Those stirring words of the Twenty-Third Psalm: *He maketh me to lie down in green pastures . . . He leadeth me beside the still waters . . . He restoreth my soul!*

The psalmist must have known the turmoil of life, even though he lived three thousand years ago. At least he had experienced the peace which comes upon a man when he escapes the bustling world and rests in the quiet stillness of nature's scene. And he caught its spiritual meaning!

A man's soul, like his body, needs to be *restored.* Just as sleep and recreation rebuild our physical strength, prayer and worship re-vitalize our spiritual being.

Thoughtfully, our forefathers taught us to spend part of each day in spiritual pursuits. Wisely, they set aside one day of the week for worship.

The Church provides opportunity for Sunday worship, and guidance in every-day devotion to God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Daly City Librarian Tells Of Visit To Mission San Juan Bautista

By Lorraine DeFanti

A recent pilgrimage to Mission San Juan Bautista, nestled in the mountain area approximately midway between Salinas and Gilroy, provided an excellent opportunity to visit this fifteenth of the original twenty-one California Missions.

Each of the missions has its own particular history connected with it, and many true and beautiful stories are told about them. Uniqueness is a dominant characteristic of the individual missions, and therein lies the fascination of these noble and historic religious ruins.

The missions are real human documents, and they continue to hold for those interested in the beginnings of civilization an allurement which is unmitigated by the passing of time.

Today, one hundred and eighty-one years after the cordon of twenty-one missions was started by the indefatigable Father Junipero Serra, one can still follow closely the course of the road established by the pioneers. For by traveling along U.S. Highway 101 the tourist can easily trace the irregular line running from San Diego to Sonoma. It is along this line connected by the El Camino Real that the Mission chain was established.

Mission San Juan Bautista

The Mission at San Juan was founded and named in honor of Saint John the Baptist by one Padre Lasuen on June 24, 1797, the feast day of the Saint. It constitutes the fifteenth link in the mission chain. It was here that Helen Hunt Jackson began her immortal historical novel Ramona.

The mission stands facing the plaza in the old pueblo of San Juan. Like its sister missions along the coast it is characterized by a type of architecture which is both simple and sturdy. After passing the entrance gate the two objects that immediately catch one's eye are the semi-circular arch dividing the church from the altar, and the old wooden pulpit on the left.

The interior is different from most of the missions in that the only windows are four apertures on each side, almost at the top of the walls, just below which a cornice runs the whole length of the building. The six figures of saints which rest in niches above the altar are the original ones placed there when it was first erected. The walls throughout are whitewashed, yet here and there a small patch of the original mural decorations may be seen in brownish red and green. In some places the plaster has fallen, revealing that the construction is of large flat brick.

Town of San Juan—The Plaza

While the mission has a history and fascination of its own, one cannot fail to observe on a visit to San Juan the buildings still remaining which are so completely reminiscent of early California. Such edifices as the Plaza Hotel, Zanetta House, and the old livery stables arouse in the tourist an indescribable nostalgia for a past which he is familiar with only through books and such remaining historical ruins as are to be found in these old Mission towns. All of the buildings still standing are State property, now open for all to see as museum relics.

In the Plaza Hotel, which was one of the main focal points of activity when San Juan was a thriving gold-rush town, one can see the old trappings and equipment which characterized an early California hotel and saloon. Although the records in the building show that the Plaza was a highly dignified and respectable establishment, where not a few notables of the day assembled from time to time, nevertheless these same documents relate that several murders took place within its very walls.

Zanetta House

A tour of Zanetta House which originally was a "nunnery" for unmarried Indian girls, and was later bought by Anthony Zanetta for his private residence, acquaints the visitor with the furnishings and styles that were popular with a wealthy family of this period. The beautiful and highly decorated Fischer piano which one immediately sees upon entering the "parlour" is still in tact (and tune) just as it was in the days when Zanetta, one-time manager of the Plaza Hotel and his family occupied it.

No home it seems is complete without a bookshelf be it large or small. And true to tradition Zanetta House contained a lovely old bookcase which occupied a prominent position in the parlour. Surreptitious peeking revealed that some of the reading material popular with a prosperous family of the early 1850's were those by Charles Dickens, Tyler (Ancient History), and Henry George (Social Problems). Proceeding on through the large building such objects as the old victrola, sewing machine, and bedroom furnishings are displayed which cause one to smile for the pasage of time has rendered most of these things "quaint."

These are but a few of the points of interest in the now utterly deserted town. San Juan saw great activity during the gold rush as it was a stage stop on the road to the mines, but when the Southern Pacific Railway was built it was left out on one side. Although today nothing suggests the activity and excitement of the Mission and revolutionary days, books and records inform us that San Juan Bautista figured quite prominently in the history and development of present-day San Benito county.

BOOKS

By Lorraine DeFanti
Daly City Librarian (jg)

In her first book, **A Lamp Is Heavy,** Sheila MacKay Russell relates the trials and tribulations of one nurse's three years in training.

Although this theme is far from an original one, nevertheless Miss Russell's interpretation of the old story is a refreshing and humorous one. With simplicity and a wealth of realistic detail the author describes how the heroine, one Susan Bates, stumbles through three years of heartache, laughter, and labor and gradually emerges into a matured young "lady of the lamp."

Miss Russell tells all of Susan's experiences and escapades as one would who remembers well what it was to be young and inexperienced, naive and helpless — suddenly exposed to suffering, pain and disaster. The author's treatment of the stock situations is at many times highly amusing.

All the usual things that confront student nurses happen to Susan — she encounters monstrous difficulties in the operating room, she is faced with important decisions which she alone can make regarding such things as professional ethics and class loyalties, and last but certainly far from least important to a young girl's way of thinking no student nurse's life could be complete unless she met a handsome young doctor.

Not to be ignored in this delightful story is the extremely sensible and well-thought-out criticisms of the present day system of training doctors and nurses.

Although this novel is general in its appeal, it would of course afford amusement especially to anyone contemplating a nursing career, or to those who have previously passed through the mill. There is no profound characterization in **The Lamp Is Heavy,** but on the otherhand it is not dripping with sentimentality, and it contains some good sound evidence about the pitfalls surrounding nursing. The author remembers how heavy that lamp can be, and yet is able to reminisce with humor and detachment.

Your Daly City Public Library is the place to go if you are interested in obtaining **The Lamp Is**

"Record" Reminiscence

This country will not send young Americans to fight a war on foreign soil, Congressman Jack Anderson said at a local luncheon Friday afternoon.

A petition signed by 15 taxpayers requesting the hard surfacing of the intersection of Citrus avenue and Woodrow street was read at the regular city council meeting Monday night.

Don Bortis, eighth-grade student of Jefferson elementary, this week entered the National Soap Box Derby.

Nearly everyone in Daly City was puffing on a cigar Thursday in celebration of the birth of a boy to Mr. and Mrs. Joseph Fresenborg, 101 Crocker avenue.

Mrs. Vivian Pahlka today is the new president of Daly City Post No. 410, American Legion auxiliary.

Officer George Hopman and wife are the parents today of a baby girl, Judy Ann born Sunday morning in Franklin hospital.

The growing fame of Daly City's municipal band this week brought the local musicians an invitation to serve as official band of the Napa county fair.

Miss Arleen Anderson, daughter of Mr. and Mrs. C. A. Anderson, 198 Irvington street, recently became the bride of Charles Payne Jr. of San Francisco, at a Reno ceremony.

A pitching duel between Pfeifer of the Daly City Merchants and Bullwinkel of the Building Service Employees gave fans a real battle to watch Saturday on the Jefferson diamond. Final score was 3 to 1 in favor of the Merchants.

Four new members were initiated into Daly City Unit No. 410, American Legion Auxiliary, Monday evening. Welcomed into the group were Mesdames: Herbert Grieb, Mary Travis, George Stubbles and Elizabeth Brida.

D. C. Pet Show Hailed As Howling Success Last Week

Entries in the Daly City Recreation Department Pet Show included 34 dogs, 4 cats, 5 turtles, 3 ducks, 3 rabbits, plus others such as guinea pig, hamster, gold fish, bird, rooster, white rat.

Boys and girls who didn't have pets improvised with an odd assortment which included frogs, bees, a water snake, and even an earwig and an angle worm. Quite a menagerie. The high school football field was the scene of the event on Friday, July 28.

Besides judging of the pets and issuing award ribbons, various contests for the youngsters were included in the program.

Flash, the ten-inch turtle entered by Robert Nixon, won the turtle race in a walk by six turtle lengths. However, in a statement after his easy victory, Flash indicated he does not plan to challenge any rabbits in the near future.

The jumping frog, named Donald Duck by his owner, Joey Ordonez, won at his specialty when he outleaped all of the other frogs in the yearly frog jumping contest.

Many beautiful and fine bred dogs were entered but because of the nature of this show, which is staged primarily for the kids, awards were given for the following: best tricks, best cared for, largest, smallest, longest fur, longest ears, prettiest, most spots, best costumed, and funniest costumed.

A Dalmation, named Chum and entered by Tommy Carson, had no difficulty getting the most spots award — he was just all spots. Skipper, a cross between a cocker and fox terrier, won the highly contested best tricks award—quite a showman, this skipper. Verna Weston is the proud owner. Other boys and girls whose dogs are wearing first place awards are: Jean Marsh, Richard Curtis, Eleanor Shulder, Jerry Echols, Richard Duncan, Donald Jennings, Vince Leonetti, and Earline Dodson. Many more took home second, third, and fourth place awards.

Winning cats were entered by Alfred Maffei, Barbara Hartnell, Dreana Guaraldi, Larry Laub, and Turpy Rasmussen.

Brewster, the rooster, entered by Ken Ryan, took honors as the largest bird. Fluffy and Guffy, twin ducks owned by Gerald Molino, won in the longest beak category. Dolores Del Campo and Virginia Bizzola also had winners in the fowl and bird divisions.

Jac the rat, Stinky the hamster, Squeakie the guinea pig, as well as Hoey, Sandy, and Jack the rabbit, all won in the rodent classification. Their owners in order were Barbara Kaus, Dick Pfuhl, John Schwaninger, Carl Raffo, Jim Tate, and Jackie Bautista.

In the reptile category, Billy the snake, Joe, Bill, and Snapper (turtles) won the blue ribbons. Owners were: Jose Ordonez, Robert Dickson, Bill Tait, and Jim Bernardy.

Dewey the frog was judged the prettiest amphibian. Other winners in this group were entered by John Sciutto.

Buzzy the bee, Inky the worm, and Teddy the earwig, were winners in their own group. They were entered by Eileen Dreyfus, Ted Soumer, and Louise Dolan.

In the general awards, Vince Leonetti's dog Rusty was judged the best costumed pet. Kenny Ryan's rooster Brewster, the most unusual pet; Richard Curtis' African dog Princess, the biggest pet; Sherry Pollard's tropical fish the smallest pets, and Lynette Kerr's dog Ko-Ko, the prettiest pet.

Marchbanks Playground won the Pet Show pennant with a total of 160 points. The High School playground followed with 134 points, Jefferson had 114, Crocker 52, and Lincoln 20 points.

Daly City Auxiliary To Fete Bay Area

A group of Colma Vista Grande No. 1848 FOE Auxiliary members Monday chartered a bus to attend the Bay Area get together in Palo Alto.

They were entertained by the Burlingame Auxiliary. Everyone reported an evening of good fun and fine food.

The members of the Auxiliary were pleased to receive the official announcement that they were to get the Bay Area affair in January. There are only four a year among the different auxiliaries of the Bay Area.

Plans are getting underway to make this one of the nicest affairs the Auxiliaries ever attended.

The next meeting of the Daly City Auxiliary will be held on Tuesday, August 8, at 8:30 p. m.

The San Francisco Mint was established in 1854.

The first wildlife refuge in the United States was established in California.

The Overland Telegraph Company established communication between San Francisco and New York October 24, 1861.

Mr. and Mrs. Carey Wood Mark 50 Years Of Marriage Saturday

Marking their golden wedding anniversary this Saturday will be Mr. and Mrs. Carey A. Wood, 35 Hillcrest drive.

The couple will observe their 50 years of wedded bliss at a party and open house to be given by their daughter and son-in-law, Mr. and Mrs. Fred Rodriguez, 137 Templeton avenue.

Open house for all the Wood's friends and relatives will be held at the Rodriguez home after 7 p.m. this Saturday evening.

The couple met, and were married in Lovington, Illinois, a short distance from where they were born. At the time the groom was 18, and the bride 16.

Mr. Wood was employed as a telephone lineman in Illinois, but shortly after their marriage they moved to South Dakota. Then, 17 years ago, the couple settled down in Daly City.

Until recently, Mr. Wood was employed as a carpenter, supervisor for Dolan Construction company. He was forced to retire because of ill health.

The Wood's have had six children, two of whom are living. Their son, Dean Wood, resides at 39 Mission Circle, and is well known as a Daly City police officer.

The Wood's have seven grandchildren and seven great grandchildren.

Joint Installation Slated August 10

A public joint-installation of officers of American Legion Post No. 410 and Auxiliary will be held August 10, it was announced today.

The installation will take place at the American Legion Hall, 474 San Diego, beginning at 8 p.m.

The public is cordially invited to attend, and it is hoped a good sized crowd will be present to witness the impressive ceremony.

Whist Game Slated For Next Tuesday

Whist fans woll have an opportunity to play their favorite game this Tuesday, August 8.

The game is sponsored by the Catholic Ladies Aid Society of St. Michael's Parish, and will be held at the parish, 32 Broad street. Starting time is 1:30 p. m.

All members of the parish as well as the public are invited to attend.

Annual Crocker PTA Dutch Treat Lunch Is Slated For Next Tuesday

All members of the Crocker PTA today were invited to attend the organization's annual Dutch Treat luncheon Tuesday, August 8.

The luncheon is to be held at Fisherman's Wharf in San Francisco and promises to be one of the highlights of the summer activities.

Those wishing to attend may meet either at: Evergreen and Mission at 11 a. m., or in front of Joe DiMagio's restaurant, Fisherman's Wharf, at noon.

When the group has met it will be decided where the luncheon will be held.

Meanwhile, the annual Crocker PTA picnic was held recently at San Mateo Park. There was a large turnout of parents and children and all are reported to have had a fine time.

Mrs. Ann Eason was chairman of the picnic and arranged for the many prizes and games.

Cancer Head Is Auxiliary Guest

Honored guest of Old Glory Auxiliary Unit No. 2044, VFW, last Friday was Mrs. Pearl Guttschall, twelfth district cancer chairman.

Mrs. Guttschall is also a member of the Rose Robrecht Weeks Auxiliary No. 1716.

Among the other visitors welcomed were President Gladys Holt, musicians Marie Heims of Rose Fisher Lake Merced Auxiliary No. 9921, President Rheba Gist, Past President Edna Long, Jessia Hale, Doris Lewis and Jesslyn Walsh of Tanforan Burlingame Auxiliary No. 2517, VFW, of San Bruno.

After the meeting all members and guests were served refreshments.

Meanwhile, Wednesday evening Sr. Vice-president Shirley Walker, Chaplain Bonnie Ellenwood, Recreation Secretary Ethel Dorn and Treasurer Clara Poket visited Lake Merced Auxiliary No. 9921, VFW, at Broadmoor.

Your Child Deserves To Learn More Than Merely The Three R's

A recent issue of the "California Parent-Teacher" contained an article which would do much to restrain fears and level the ideals of parents where education of their children is concerned.

Mrs. Henry Adami, our Woodrow Wilson PTA president, quotes portions of this article for the particular benefit of all parents of beginners—especially those parents anxious to cram the three R's into their youngster before these tots have yet learned how to live and play.

This article, "How To Live" by Mary Louise Kirk, points out that if children are given a sound foundation in the art of getting along with their fellow associates they will develop an awareness of life, and with it the curiosity that will drive them to seek an education.

Children of the same age differ as much in mental growth as in physical growth. Don't worry about your son's reading—perhaps he is more inteersted in other things—building, creating, games, or the whys of living. He is undoubtedly healthy and intelligent and when he is ready to read, he will acquire this knowledge. It is more important that he likes his school, the friendships it gives him, and that he likes his teacher and feels no sense of compulsion or frustration.

In the Long Beach elementary schools the system of grading is based upon the differences in the growth of children. Two marks appear on the card—one states that the child is showing satisfactory growth, according to his abilities, and the other states that he could do better and is not progressing with the degree of growth to be expected from him for his mental age and ability. The plan is fair, although it does not give the parent an opportunity to flaunt grades. Rather, it should encourage the parent to brag with respect to the child's ability to get along, with his popularity, his sense of justice, and his happiness.

Rather than criticize an educator because your child's scholastic record is not what you expected it to be, you might, as a wise parent, adopt this attitude when you talk to the youngster's teacher: "This is our child, the most precious thing in the world to his parents. We have sent him to you to learn how to live. Give him of your knowledge and your wisdom. Teach him to love fair play and shun deceit.

"Teach him that in this room of which he has become a part, are many children from as many homes. They may be black, brown, yellow and white, but to him they are just the sons and daughters of other parents. By no word of yours must he learn racial or class consciousness. And by no act of yours must he learn that justice could have a price!

"When he leaves you at the end of the year, some part of you will be forever a part of him. Wherever he goes, there will you be also—a living memorial to your skill as a teacher."

Happy Birthdays!

Amateur Hour Hailed A Success

The Daly City Recreation department's fourth annual Amateur hour program, held July 21, was enjoyed by an audience of about 250.

Interest in the program is growing each year. This year, 40 boys and girls participated.

Judy McCullough was voted the outstanding performer of the evening by judges Beverly Clement, Maurine Angmon and Regina Warchot. Judy won with an acrobatic dance and novelty number.

Coming in second was Garry McFall with a fine piano number. Young Jim Tast played third with a sword dance, and Wayne Flansburg took fourth prize with a well-executed tap dance.

Ribbon award winners are as follows:

11 Years and Over, Gary McFall, Arlene Trapp, Fred Thompson, Doris Fornay, Judy McCullough, Wayne Flansburg, Charles Olson, Florine Jesperson, Doris Fornay, Laverne Garner, Maureen Dreyfus, Shirley Sharp, Pat Dillon, Ronnie Poston, Sandra Smith and Kathy Rasmussen.

10 Years and Under, Mike Maffei, Nora Swinger, Nancy Gisler, Jim Tait, Mary Gensel, Karen Holliday, Sandra Holliday, Claudine McKee, Bill Tait, Mary Dowdle, Mardell Fox, Penny Johnson, Dotty Brungle, Patsy Rocci, Janice Keith, Jane Martinez, Diane and Barbara Patti, Patsy Rocci, Penny Johnson.

Other participants included: Mary Lou Jordan, Elaine Boile, Eillen Dreyfus and Turpi Rasmussen.

The High School playground took first honors, with the majority of winners coming from that field. Jefferson and Crocker were second and third, respectively.

The Recreation Department thanks the Jefferson High school board of trustees for allowing them to use the auditorium for the evening.

Fall Fashion Show Scheduled September 16 By FOE Auxiliary

Fashions will be the order of the day September 16, as the women of Colma Vista Grande Auxiliary No. 1848, FOE, stage their first fall fashion show.

The big event will be held at the Crystal Ballroom of the Hotel Whitcomb, San Francisco at 2:30 p. m.

All money from the affair is to be used to purchase parade uniforms for the outside drill team.

Fashions will be shown by the Hale Brothers, Grant avenue store, with Miss Alberta Cook as fashion coordinator.

NBC Program Director Paul Speigle will give a man's view of the fashions and will act as commentator.

General chairman of the affair is Mrs. Arthur Heydean and her co-chairman is Mrs. Marge Kennedy.

Tickets are limited, and early reservations may be made by contacting the reservation chairman, Mrs. Myra Laws. She may be reached at PLaza 5-2872. A call may also be made to Mrs. Donna Almquist, co-chairman, at PLaza 5-0820.

Other chairmen will be named at a later date.

Remember, the public is invited so get your tickets early.

Scheme hard and furiously to do most of your household jobs sitting down: preparing vegetables and fruits, stirring puddings and sauces as they cook on the stove, ironing, packing lunches and mixing batters. Even perch on the sofa as you dust end tables. It's not laziness; it's plain common sense.

When your brown and white spectator shoes are up for polishing, put a coat of ol' shinola on the brown first. Then if you splash some white polish on the brown part, it won't be so stubborn to wipe off the waxed surface. Give the brown a final shinola treatment for finish.

Scrumptious with salads is this garlic-cheese toast. Cream 2 tablespoons vitaminized margarine until soft; add ½ clove garlic, peeled; let stand 5 minutes, then remove. Toast 4 slices bread on one side; spread untoasted sides with garlic mixture and sprinkle with ½ cup grated sharp cheese. Toast under broiler until cheese melts. Serve it cut in thirds.

Avoid sprinkling rayon whenever possible. Instead, iron your rayons as soon as they've dried to the right degree of dampness. You'll then have perfect distribution of moisture which is all but impossible with sprinkling.

Whoops! There goes the iced tea right down your dress! But it's only cotton so you throw it in the washing machine and are you surprised. The hot water and soap have set the stain permanently. For tea, like vegetable juices, beer, coffee and highballs, contains tannin which is often barely visible when fresh, but shows up with heat and alkali. Rinse such stains in cold water first.

More Rigid State Deer Control Coming Soon

Reduction of deer to the carrying capacity of the range is a term California sportsmen are likely to hear a lot more about in the future.

Behind that phrase are implications of controlled doe shooting in some areas and a radically new concept of deer management and harvesting. But, according to University of California biologists, the much-needed changes in policy are new only in California — one of the few "holdout" states, and one in which the new look in management is sadly needed.

A. Starker Leopold, who heads a three-year survey conducted by the University with the aid of Federal wildlife restoration funds and the California Division of Fish and Game, says that every other western state now permits some type of deer herd control.

Most eastern states with any sort of deer population long ago consigned doe protection laws to the same waste baskets holding the Volstead Act, male suffrage, and the 10-mile-an-hour horseless carriage speed law.

Eliminate SOME existing deer refuges; permit controlled doe shooting in SOME sections; discard SOME present management practices; and the result in California will be the same as in other states with a deer problem: more deer for more hunters without jeopardizing the basic population or high annual kill.

Hunters, farmers, conservationists, and stockmen have discussed the "radical" proposals with varying degrees of enthusiasm. Most of them, after reading Leopold's detailed report, have been converted to the side of deer herd control.

Sarto Teams Make Clean Sweep

Behind the fine pitching of Babe Ottenello, Sarto A.C. scored a 5 to 1 victory over the 12 Mile House Sunday.

Ottenello allowed but two hits, and kept the game down to a fine pitching duel. Sarto A.C. got away with six hits.

Meanwhile, Sarto's also had a good day Sunday whipping Lucky Lager 8 to 3. Gil Quinones was on the mound for Sarto's, and allowed eight hits.

Star of the day, however, was 16-year-old Clausen, who drove a homer deep into right field in the seventh inning. No one was on when the Mission High school lad contacted with the ball.

Deer Hunting Season Opens Monday, August 7

When California's early deer hunting season opens August 7 in some parts of the State, hunters will find their prospects of bagging a two-buck limit ranging from poor to very good.

Wardens of the Division of Fish and Game have submitted early predictions of deer hunting conditions which add up to a slightly better than average outlook. Indications are that California's record take of 52,000 deer in 1949 will be topped this year.

Between August 7 and September 15, two bucks may be taken in designated central and south coastal areas. Deer hunting becomes legal in the balance of the State for a 30-day period beginning September 16. Hunting is prohibited in State and National parks.

Here's the warden's viewpoint by counties:

ALAMEDA—Fair to good. High fire hazard. Open fire prohibited.

GLENN — Fair. Bucks in good condition. Written permission required to hunt on most private land. Best hunting areas: Black Butte Mountain, Gridstone Canyon, Sheetiron Mountain.

FRESNO — Fair. Bucks in good condition.

KERN — Fair to good. Best hunting areas: Mount Abel, Frazier and Lebec district.

LOS ANGELES — Fair. Deer in higher elevations. Extreme fire hazard.

MARIPOSA — Fair. Best hunting near Yosemite Park.

MARIN — Good. Permission required to hunt on private land.

MENDOCINO — Fair. Deer in good condition. Best hunting in Covello area.

MERCED — Fair. Much private property posted against trespass.

NAPA — Good. Deer and range in good condition. Most property posted.

SAN BENITO—Very good. Deer in excellent condition.

SAN BERNARDINO — Poor. Bucks seen in higher elevations which are closed because of fire hazards. Entire county extremely dry.

SAN LUIS OBISPO — Fair to good. Additional hunting area of Los Padres National Forest opened for first time to permittees. Queen Bee area — good.

SANTA CLARA — Very good. Many bucks in foothills. Nearly all ranches posted against trespass.

SANTA CRUZ — Fair. Much land posted or closed by county ordinance.

SOLANO — Fair. Little land opened to public hunting. Water scarce.

SONOMA — Fair. Deer in good condition. Little land open to public hunting. High fire hazard.

STANISLAUS — Fair. Best hunting near Yosemite Park.

TULARE — Good. Best hunting areas: Mineral King, Rifle Creek, Mt. Whitney Meadows.

Five major restaurants and numerous smaller establishments will serve tons of quality food to the hundreds of thousands attending the California State Fair, August 31 through September 10.

Daly City Dog Places First In Kennel Show

Taking first prize in his own class, and for "Best of Breed" at the San Mateo Kennel Club Show Sunday was 8 o'clock Smoke, Labrador retriever belonging to Mr. and Mrs. Joseph Kinnaman, 25 Alexander avenue.

The 16-month-old male dog was raised in Daly City, and was the only dog from this area to place in the annual show.

The Daly City prize winner was one of 1500 dogs displayed at the Bay Meadows show. More than 5,000 persons jammed the show area to watch the entries which included 112 breeds.

Other group winners were:

Sports group — Champion Staber's Inspiration, a pointer, owned by Grace Staber, Inglewood.

Hound group — Champion Blue Arabdis of Kuvera, an Afghan, owned by Mrs. Lee Iverson, 760 Geary street, San Francisco.

Terriers — Champion The Shiek of Ranaaire, an Airedale, owned by Mrs. George S. Rankin, Pasadena.

Toy group—International Champion Golden Glow Dandy, a Pomeranian, owned by Mrs. Alva Cohen, San Francisco.

Non-sporting group — Champion Astron Silver Star, a standard poodle, owned by Astron Kennels, Salt Lake City, Utah.

San Mateo winners were:

Princess Bobett, St. Bernard, first prize in the American breed and reserve winner in the open class.

King of Eldorado, St. Bernard, first prize in the novice class.

Look For Fin Tagged Flounders

Sport and commercial fishermen have been asked by the Division of Fish and Game to keep a lookout for some of the fin-tagged flounders, sole, cabezone, and ling cod to be found in ocean and bay waters along the northern California coast.

From the research vessel "N. B. Scofield," marine biologists in July placed plastic tags on the fins of 734 bottom fish. A total of more than 3,000 such fish have been tagged this year in the Pacific Ocean between Eureka and Monterey Bay.

By means of a specially-designed beam trawl not dragged along the ocean floor, the fish are brought aboard the Scofield, tagged, and released.

Fishermen returning the tags, and revealing the place and time of catch, will be given a wallet-sized commendation card by the State agency.

Thirty Cyclists To Speed Friday In Belmont Races

Balancing on the line between delirium and wonder, some thirty motorcycle jockeys return to the Belmont Speedway Friday night to see what can be done about dethroning little Shorty Tompkins of Sacramento, circuit leader by a scant two points.

Last week, Tompkins went into the nine-race program five points better than the San Jose champion. Although both riders were harrassed by spills which resulted from a damp track, Headricks maintained an edge, taking all his events except the feature race.

This week, with only two points separating the riders, it's anybody's guess as to which will triumph. Only five weeks remain in the season. As a result most fans anticipate a lively finish with championship bids possibly from several excellent pilots before the season's close.

Thrilling rides and other attractions will give this year's California State Fair, August 31 through September 10, its greatest Gayway.

The finest fireworks available may be seen nightly at the California State Fair, August 31 through September 10.

The People of the State of California:

To RAY TOUPS, Greeting:

BY ORDER OF THIS COURT, you are hereby cited and required to appear before this Court, at the Court Room, Department of the Presiding Judge thereof, at Redwood City in the County of San Mateo, on Thursday, the 24th day of August, 1950, at 9:45 o'clock in the forenoon of that day, then and there to show cause, if any you have, why an order should not issue out of this Court for the adoption of Charles Ray Toups, also known as Charles Ray Forcier by Archibald John Forcier, petitioner herein.

WITNESS, the HON EDMUND SCOTT, Judge of our Superior Court, in and for the County of San Mateo, with the Seal of said Court, affixed, this 19th day of June, 1950.

ATTEST:
W. H. AUGUSTUS, Clerk
By NINA L. LOWDER,
Deputy Clerk.

TOURNAMENT EVENTS

Softball Throw For Accuracy Now Highlights Playground Sports

by Erle Johnson

This week the kids are getting ready for the Softball Throw for Accuracy Tournament at the various centers and playgrounds. The object of this tournament is to throw the softball through a tire for two points or at least hit the tire for one point. This tournament is excellent for anyone who wants to check their accuracy in pitching and throwing.

Last week in the Free-Throw Tournament the following were the winners: Girls ---under class, T. Rasmussen (MB); 12-13 class, G. Glover (MB); 14-over class, J. Laskey.

Boys 12-13, Grubb (MB); 14-over, Charles C). Marchbank Park won all of the events except one, as is indicated above, to win the event easily.

Boys 11-under class, Casini (L). R. Kalinin and D. Rasmussen also participated.

Others in the tournament were: B. Murchinsen, Dimond, D. Caferata, C. Smith, N. Masters, R. Dixon and D. Kalinen. The most outstanding duel of the afternoon was between Grubb and Kalinin. Grubb got by Kalinin after both boys had made thirty throws.

The Ping-Pong tournament is listed for next week, so get ready kids and we'll see you down at the High School Game Room then. This, is not to be confused with the City Open Table Tennis Tournament, this is only for you boys and girls who attend the playground regularly.

Stanford Dear "Off Bounds"

There will be no deer hunting on Stanford lands.

This warning was issued by Stanford University Business Manager Alf E. Brandin today as the August 7 opening of the deer season approached.

Brandin feared, he said, that some hunters might misunderstand a State Fish and Game Commission ruling — made last March and now being appealed — that removed the 23-year-old game refuge status of the university's 9,000-acre campus.

Because of danger to students and scientists, who use the Stanford lands as an outdoor laboratory, and to tenants who lease some 7,500 acres of the university property for agricultural purposes, any hunting on the Stanford lands would be a serious hazard, Brandin emphasized.

He pointed out that the Stanford lands are almost wholly enclosed by fences and that all land which is not fenced is posted against hunting.

The State Law (Section 602 (K) of the Penal Code) makes it a misdemeanor to hunt on lands which are properly fenced, or posted against trespassing and hunting.

Brandin said that the Stanford police department, tenants, and game wardens would police the Stanford lands against hunting.

Boxing Show To Be Presented At Jefferson High School August 11th

Why not join the fun and come down to the Jefferson Union High School gymnasium August 11 and see a free boxing show presented by the Daly City Recreation Department.

There are 16 bouts scheduled, and every one of them is sure to possess a lot of thrills.

This is but one of the many projects the Daly City Recreation department is putting on throughout the summer. To show that you, the people of Daly City, really appreciate what the recreation department is doing, why not come to the Jefferson High gymnasium on the night of August 11 at 7:30 and see a great little boxing show.

Here is a list of some of the boys fighting: Ronnie Kalinin, Jerry Kennedy, Freddy Bertetta, Lenny Monson, Dickey Kalinin, Larry Kennedy, Ray Rosa, Ezzy Galente, Henry Bowen, Dave Rasmusen, Danny Rosusen, Lala Huntsman, Kenny Klus, Ross Benavider, Benny Peralta, Bob Fnugoni, Larry Hutchinson, Don Wilson, Don Espinoza, Owen Charles, William Lyman, Bob Gallagher and Bob Merchinson.

FISH AND GAME NOTES

by Jimmy Fox

Still the best fishing news locally is the Lake Merced Fishing, and it has proven to be some of the best fishing in the state this season.

Never before has any body of water produced such a fine harvest of trout in such a short period of time. The amazing part of the whole thing is that the old fishin' hole is located in the heart of a large city. Nevertheless some of the anglers don't seem to appreciate all the effort that has been spent in their behalf. There are a certain group of game-hogs taking more than the legal limit of fish. They not only take more than the limit of two fish but they fish from the bank, which is illegal; they throw lunch papers and beer cans around as though they were in their own front rooms, and they encourage the kids to follow suit and think it is very smart to do so. These thoughtless individuals are cutting off their own nose to spite their face and they are damaging what belongs to all of us.

It's about time Mr. Average angler took some time to think about it. If you see one of these bad actors breaking the law don't wait for a game warden to come along. Go up to him and explain the situation and tell him that we all want to enjoy this fishing for a long time and if he keeps on breaking the law it will not only ruin it for us but for himself also. If Mr. Violator gets 'onery or tough just remember the old saying, "Treat fire, with fire."

It does no good to come home and tell your friends all about the bum game warden or the poor law enforcement. Those wardens are working overtime all the time and most of it is due to us average guys being over tolerant toward our fellow anglers. Give that guy on the next rock something to think about and he will remember the law better.

No one wants to be called down or criticized either by a stranger or a friend, but a lot of the boys will violate if they think that you think they are funny or brave for daring the law to arrest them. The least you can do is to keep an honest man honest even if you can't scare the wise guy.

Box Score

The latest box score on the fishing at the lake shows that over 5,000 Rainbow trout have been taken since the opening on July 1. I would imagine that the kids took another 5,000 between the May 1 opening and the 1st of July when the Seniors started fishing. The number of fish planted in the lake around the first of the year was close to 74,000 6- to 9-inch fish, so there are plenty more there to tie into.

According to the folks who run the boathouse, the fishermen in the boats have averaged 1½ fish per boat per trip since July1, and they have all been fine sized fish. I have yet to see a fish smaller than 12 inches long caught there. Most of them are close to the 14-inch mark and a few are up there in the "whopper" class, around 16 to 21 inches.

The rapid growth of the Lake Merced trout can probably be attributed to the excellent and abundant supply of fresh water shrimp found in the lake. We wonder if the Merced trout will in a few years attain the huge size of the famous Kamloops trout of the Canadian wilderness lakes.

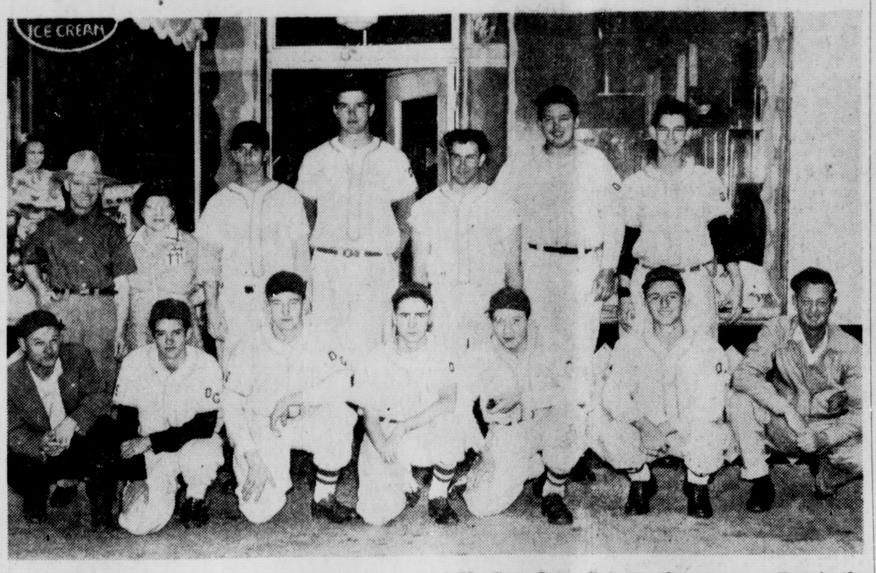
Salmon

Salmon fishing has been good and bad according to the weather. Every few days the heavy seas scatter the fish and the boats but as soon as things calm down again they start taking fish. As is usual at this time of the year the fish are starting to get bigger and as we get into August you will hear of lots of really large salmon being taken. The fish have been picked up off of Pedro Point and the Slide ranch area alternately. The larger fish seem to come from up north.

Few bass are being taken along the beach or in the south end of the bay. Trolling in the Crockett area seems to be a good bet and bait fishing for small ones in the Isleton area is producing lots of small fish around 2 to 4 pounds.

Deer season is fast approaching so the time to get in some target practice is getting shorter. Remember that a rifle range open to the public is located in Pedro Valley just over the hill from Rockaway Beach. Turn left at Wander Inn on the Coast highway and then turn left again just before coming to the old adobe house. The Coastside sportsmen have a fine smallbore and big bore range there where you can shoot all day for 50c and sight in any rifle from 50 feet to 300 yards. Bring the family and have a picnic while you do the job of loosening up the old blunderbuss.

MARIE'S PLACE SWINGS BACK ON THE VICTORY TRAIL



These are the lads who are now making history for Marie's Place, 3005 Mission. We're sorry to say that we were unable to tie in the names of the players with the picture, but members of the team include: Pete Delfino, 3b; Gene Lorenzo, ss; Angello Craviotto, 2b; Bob Martinelli, 1b; Pete Stone, lf; Mario Levoroni, cf; Jack Allaian, rf, p; Vic Bahr, c; Aldo Canepa, rf, p; Chuck Donley, p. Marie and Pat are the sponsors, Roy is the bat boy, Al Davis manager and coach, and Charles Donley, assistant coach. (Photo by Page Corner)

by Angello Craviotto

Last Sunday the Marie's Place nine swung on the victory trail again by scoring a win of 9 to 7 over the San Carlos nine at San Carlos.

Marie's Place had a lead of 6 to 2 in the sixth inning only to have San Carlos batter the tiring Donley for 4 runs to make a new ball game of it.

In the seventh Marie's Place took the lead again 7 to 6, only again to have Donley give the tying run. This called for Aldo (Smoky Joe, the Fireman) Canepa to come in the 8th inning with a lead of 9 to 7 and issue 1 walk. Then finding the range of the plate he retired the side in apple pie order.

The difference of victory and defeat for Marie's Place was a short, curly-haired Italian florist by the name of Mario Leveroni who did everything but make Stewart, the San Carlos pitcher, sit on the flagpole. Mario collected 4 hits: 2 triples, 1 double and a single at 5 times at bat.

Not only Leveroni, but as a whole the team collected 14 safeties.

This Sunday this team will try to overcome the outfit which last year beat the former players of the Daly City Boys' Club 8 to 0 no runs, no hits, 6 to 2 and 7 to 6 in 10 innings. This opposing team is the Tiburon Reds.

Al Davis, manager of Marie's, stated that the team he will take over this year will come back victorious. He will throw in his right handed ace, who so far this year has won 2 and saved 1 game for Charles Donley Jr., Al Canepa.

See you at 6005 Mission street until next week.

Ralph's Loses Practice, Wins League Game

In the exhibition game at Washington Park, Burlingame, last Friday night, Ralph's Cleaners lost a game 4 to 3 to Lewis Automobile.

Pop Shannon's Lewis club scored in the initial inning when Gus Suhr Jr. scored on Al Nulle's triple to right.

The Cleaners tied it up in the second when Howie Schlick doubled and scored on Johnny Bonchofsky's single.

Lewis jumped back into the lead in the third when Johnny Stewart drew a walk and Suhr banged a homer to right center.

Glenn Legge of the Daly City team hit a homer in the fourth, and that was followed by a single by Schlick, a sacrifice by Frank Gerhow and Dave Hocket.

Tuesday night the boys from Daly City had better luck, downing Hirch and Price 5 to 2 in the South San Francisco League.

Games to be played next week include: Friday, Rolph Field, San Francisco at 9 p. m. against Marchetti; Tuesday, South San Francisco at 7 p. m against Welte's.

High School Torpedoes Sink Murphy Panthers

The High School Torpedoes won another game this week to start the second half of the league off with a bang. They defeated Murphy's Panthers by the score of 8-4. Next Tupesday the story may be different though when they play the Crocker Wildcats.

The boys up in the Crocker neighborhood have a few dark horses who could mean defeat to the Torpedoes from the High School Playground.

The Jefferson Playground is supposed to come up with a good team too, so this will give the league another strong contender for the championship.

Windbreakers' Dinner Slated August 14

Saturday evening at the Windbreaker Hall, 312 Maple avenue, the Breakers will hold their annual "get acquainted" dinner for prospective football players and the press.

Coach Leo Kerko has invited all interested gridders to attend. The dinner will precede the practice sessions, which are slated to start August 14.

This season the Windbreakers were instrumental in forming the very powerful Northern California Athletic League. Its members will include the top ranking amateur football team in the area.

Included in the league are Petaluma Leghorns, Santa Rosa, Castlemont AC, Oakland Rams, Santa Cruz, Seahawks, Sunset AC, Daly City Mustangs, and the Windbreakers.

Hogmen Swamp Colma Boys

Monday night the Hogmen from Colma gave their younger townsmen a lesson on how to play softball. The score, and this is softball now and not football, was 28 to 2. It took the Hogmen only one inning to get on to Lou Raggio's pitching and after that they had a track meet for themselves running around the bases Vic Drago allowed only five hits in pitching his team to victory.

Geno Massoni collected three walks, a single, a double and a triple on his trips to the plate, while Lou Drago and Joe Salicci got the only home runs of the evening. The Colma Boys Club has a much better team than the score indicates, but Monday just wasn't their night and the pitching spelled the difference of a close game.

Next Monday night the Hogmen will meet the Lincoln Playground team and the following Monday night they will play an all star team composed of players from all of the teen-age teams.

Sunday Morning Softball League To Open Soon

"Can you play baseball?"

If so, why not make up a team and join the Daly City Recreation Softball League. A new league is being started as soon as the one in progress ends.

Instead of being played at sunset, (6:30-8) the games will be played every Sunday morning, 10:30 to noon.

Most of the teams in the league now will no doubt enter again, but new teams are welcome to join. If you want more information on the new league, here is who to see and where.

Mike Orlich at the Jefferson playground, any Tuesday or Thursday night between 6:30 and 8:30 p. m.

All Aliens Must Register At Once

All aliens living in the Daly City area today were warned to register with the San Francisco immigration office.

Attorney General J. Howard McGrath announced today in Washington that "new emphasis" would be placed on the Alien Registration Act of 1940.

The act requires all aliens over 14 to register. Those who have previously registered are required only to notify immigration officials of any change in address.

Bay Area registration offices are at 630 Sansome street, San Francisco.

SOFTBALL LEAGUE

Franzoia--Nannini Brothers Upset Amazon AC; D. C. Hardware Takes First

by Milton Tromborg

Roy Franzoia, a 37 year baseball lover, took to coaching the Colma Fire Department, and in doing so pulled the cat out of the bag.

Franzoia, standing in the third base coaching box, pulled in 5 runs to upset the Amazon A. C. 5 to 1, Tuesday night.

The win came with Franzoia shifting the team around. Guisti, who played left field, was shifted to center; Larry Nannini who played third, was put in left field, and Mo Masini moved over to third.

True enough, the Franzoia shift stopped the Amazon nine dead on their feet.

Lou Nannini started on the mound for the Colma F. D. and won his own game at the plate, in the 6th inning. Roy Guisti took a free pass to first. Franzoia pulled Guisti to second for an important stolen base play. With a 2-2 count on him, Lou Nannini singled to center field, driving in the winning run. Lou did the same in the seventh frame. Guisti again walked and stole second, as Lou't big bat laid into one for a single.

Larry Nannini, brother of Lou, played a terrific game in left field. He caught 11 balls without making a nerror. Larry also came through at the plate, driving in two runs with two doubles.

Another we can't forget is Masini, better known around the ball park as big Mo. Mo, who can talk a game of baseball as well as play it, was one person who got in Amazon A. C.'s hair all night.

In the sixth inning, Amazon had the bags full with two out, but Big Mo took a hot line drive to retire the side. This was the play of the day, as far as Colma was concerned.

Abby was the losing pitcher, and a heart breaker it was. He gave up 5 hits. Two singles to Lou Nannini, two doubles to Larry Nannini and a single to Beraldi.

Amazon Upsets Lynch's Nine

After going through four games, winning the mall, Phil Lynch's Sporting Goods team faced defeat for the first time, falling to Amazon A. C., 9-3.

It was tough luch for the Phil Lynch's because they held a 3-3 tie going into the last half of the 7th frame. Then things began to happen.

After tow outs were made, Amazon came through with 6 runs off 5 hits, a pair of walks and an error. All nine Amazon runs were scored after two outs were made. Lair was the losing hurler and Abby the winner.

Underwood Wins 4th

Up to now the Daly City Hardware nine is the team to beat. They are the only team in the league to win and not lose. They have won four straight without meeting defeat. Taking nothing away from them, they have yet to play the three top teams of the league—Phil Lynch's, Amazon A. C., and Mid City Market.

They play Phil Lynch's August 3 and meet both Amazon and Mid City next week.

The Hardware nine, thought they dumped the D. C. Fire Department, collected but 4 hits. How did they score 17 runs? Well it so happened they received 18 walks off two D. C. Fire Department pitchers.

The Daly City Fire nine were weak at the plate, getting two base blows, but walks also did damage. Daly City received 6, 4 in the first inning, and it was in the first frame that they scored all their 5 runs.

Eagles 11, Scout Dads 6

The Daly City Eagles had just a little too much hitting power for the Scout Dads, so went on to win 11-6.

The Eagles took four runs in the first inning, when Fehl blasted a three and three count for a home run, driving in three batters ahead of him who were on base from a walk, an error, and a hit.

The Scout Dads put on a last inning rally, scoring 5 runs, but the fire was soon put out.

Softball League Standings

Team	W	L	T
1. Daly City Hardware	4	0	0
2. Phill Lynch	4	1	0
3. Amazon A. C.	3	1	1
4. Colma Fire	3	2	0
5. Mid City Market	2	2	1
6. Eagles	2	4	0
7. Scout Dads	1	5	0

ANC Plan Helps Needy Families

Parents attempting to make both ends of the budget meet were advised today of the Aid to Needy Children section of Social Security.

Under this plan, parents may obtain money to keep their family together. The money is given whenever it is felt the family can not make a "go of it" without additional funds.

This, in many cases, does away with the necessity of breaking up a home.

Further information on this plan may be obtained by calling the San Mateo County Welfare department, or the Community Chest at DIamond 4-2518.

Close To Million Spent On County Roads, Bridges

Roads and briges in San Mateo cost $941,305 during the 1949-50 fiscal year, the California Taxpayers' Association reported today.

Of the total expenditures budgeted, $435,000 was for the construction of primary roads and bridges, and $43,150 was for the construction of secondary roads and bridges.

In addition, $277,500 was budgeted for maintenance of roads and bridges and $57,780 was set aside for administration and engineering.

The county's share of the "highway user" taxes for 1949-50, amounted to $665,232. Cash balances and other revenue financed the remainder of the budget.

County Plant To Furnish ACHT Source

San Mateo county cattle will soon have a hoof in the production of the new miracle drug, ACTH, used chiefly in the treatment of arthritis.

Armour's packing sheds in South San Francisco hope to ship 10 pounds of the cattle gland per week. It requires 180 pounds to make one pound of pituitaries, and from this comes about a teaspoonful of the ACTH powder.

The drug comes from a corn kernel-sized tissue at the base of the animal's brain.

The drug was formerly extracted only from the pituitary gland of hogs, but as a result of an Armour Laboratory discovery, it can now be taken from cattle.

The company hopes nearly to double its national output of ACTH through its use of the beef pituitaries, but a production of from 5,000 to 10,000 times the present supply is considered essential to meet the public's needs.

Lutheran Church Celebrates Rite

The Lutheran Church of Our Savior, Garfield and Junipero Serra boulevard, announces the celebration of Holy Communion at the 11 a.m. service this Sunday, August 6.

Persons desiring to commune are asked to register at the church office on Saturday afternoon between 3 and 5 or in the evening from 7 to 9.

Further particulars concerning this neighborhood church may be had by phoning the pastor, the Rev. Robert G. Konzelman, B.D., at JU 4-8501 or JU 4-0293.

Public Invited To Birthday Dinner

Celebrating their birthday with a buffet dinner next Tuesday will be members of the Veterans of Foreign Wars Lake Merced Unit No. 9921 Auxiliary.

The first birthday party is open to the public, and it is hoped residents of Broadmoor, Daly City and Colma will attend.

Tickets may be obtained at a nominal sum for the dinner by calling PL 5-0212 or PL 5-4531.

The dinner is to be held in the Broadmoor Community center.

Send A Service Man The D. C. Record—Free

As a public service, The Daly City Record will be sent to all Daly City men in the armed services free of charge.

Knowing how much news of the "home town" interestss men away from home, the Record is reinstating its policy of World War II.

Parents and relatives of men now serving with any branch of the service may have the Daly City Record sent to their service men by calling PLaza 5-4321.

This offer is made to men who are from Daly City, Westlake, Broadmoor and Colma.

STRIPERS TAKEN

Numerous limits of striped bass have been taken by trollers during the past few days in the waters off Crockett in Contra Costa county, reports the National Automobile Club. Most of these fish were running about medium size.

Bitterns from the salt plants on the east shore of San Francisco Bay are a source of magnesium compounds.

TROUT ANGLERS HAVE LUCK

Trout anglers working the Rubicon River above Uncle Tom's Cabin in El Dorado county last week made some fine catches, according to the National Automobile Club. The water on the river has been high but clear.

Santa Fe, New Mexico, was founded in 1609 and has been a capital continuously for nearly 350 years.

NAVY LISTS RECRUIT NEEDS

Enlistments are being accepted in two categories announced the local recruiting navy offices located in the post office building in San Mateo and in the county courthouse in Redwood City.

1. Young men 17-31 years of age, if physically qualified, pass a mental test, and have no dependents, may be enlisted for a period of four years or minority (till 21 years old). Former service men with dependents, will be accepted in the regular navy if qualified to enlist in pay grades E-3, and above (seaman, fireman, etc.).

2. Volunteers from the Naval Reserve are being accepted for unlimited duty in the U.S. Navy from reserve classes V-1, V-2, V-3, V-6, O-1, and O-2 if they are in pay grades E-3, E-4, E-5, E-6, and E-7. Chief petty officers (pay grade E-7) holding ratings of SO, RD, FC, AC, MN, CT, YN, and PE only are being accepted; all others must be in pay grades E-3 to E-6 inclusive, and may be in all general service and emergency service ratings. These men must be physically qualified for unlimited duty, and have at least one year obligated service in their Naval Reserve enlistment.

Men may apply at all navy recruiting stations for active duty by filling out a preliminary form. Applicants will then await at home for further instructions from the commandant of the 12th Naval District; a waiting period of approximately ten days.

The U.S. Navy recruiting station will be open from 8:30 a.m. until 4:30 p.m. every day of the week including Saturday and Sunday, as announced by J. G. Benson, MMC, of the local U.S. Navy recruiting station, Post Office building, San Mateo.

We will be more than glad to answer any question regarding enlistment or reenlistment, in the U.S. Navy or Naval Reserve. Phone DI 4-2781.

Friday Big Day For DC Grass Fires

Two grass fires broke out in Daly City within 20 minutes last Friday.

The first was reported at 11:55 a.m. at the corner of Alp and Mission. The second came at 12:15 p.m. at Hillside boulevard and E. Vista.

Both blazes were brought under control within a matter of minutes. No damage was reported at either fire.

Bayshore Widening To Start Soon

Widening of Bayshore Highway between South San Francisco and San Francisco was approved this week by the state highway commission.

The $350,000 project is a victory for San Mateo county in its long fight for allocation of money to eliminate the dangerous "bottleneck."

The widening approved will run 3.4 miles from one-tenth of a mile south of the city limits of San Francisco to the north city limits of South San Francisco.

SPORT FISHING GOOD

Sport fishing has been very good in the waters off Los Angeles county recently, reports the National Automobile Club. A number of limit catches of albacore have been taken.

Vaudeville At SM Floral Fair

One of the many free attractions at the Fair and Floral Fiesta in San Mateo opening September 8 at the fair grounds will be a new type of vaudeville show within a mammoth tent having full theatre equipment and seating.

At the far end, a complete modern stage will be erected, with proscenium arch and curtains. Shows will be staged at seven and nine each evening.

Music is to be under the baton of Walt Roesner, whose thrilling concerts were a feature on Treasure Island during 1939 and 1940, and who in succeeding years has conducted some sixty musicians and singers at the Fox Theatre, San Francisco and the Orpheum Theatre, Oakland.

The entire presentation will be under the direction of Earle Caldwell of Redwood City, who has served the fair in this capacity for the past several years.

Among feature attractions for the show at the Fiesta will be the Brigadiers, stars of stage and radio. Five men whose voices harmonize, all six footers, appear in brigadier costuming to make a thrilling picture as they sing numbers from past and current musical comedies. They will change their program several times during their engagement at the fair.

Benito "Pat" Moreno, a gay and clever master of ceremonies has a flare for sophisticated comedy. He studied in Europe in preparation for an operatic career and appeared at the Metropolitan Opera. He makes a hilarious story from his experiences.

More comedy comes from the team, Harris and Shore, who dance for laughs. Ken Murray held them over at his Blackouts in Hollywood for five years.

Valentine, a handsome young juggler, immaculately costumed will give lightning like routine. Ruby King, a beautiful and young acrobatic dancer will complete the show.

Entrance to the tent is to be from the main exhibit building. With a seating capacity for 2500, the tent and its facilities may be used during the daytime by communities staging special events.

... "BOSSY" MAKES GOOD with a STRAWBERRY ANGEL FOOD CAKE

All summer Harry's been coaxing his cow to give the proper kind of milk for the A-1 whip cream he uses in this delicious summer specialty. This week the cow came through, as did the fresh, ripe large strawberries in Harry's garden. Dashing from the "producer" to the bakery, Harry whipped up this year's all time taste treat. The cake is so tempting that Harry had to put his help in chains to prevent them eating it before it got to you.

Thief Lifts Camera Sunglasses From Car

Equipped with two pair of sunglasses and a reflex camera today is a thief who cleaned out a car belonging to Helen Liberty, 68 Flournoy, last Thursday evening.

Mrs. Liberty parked her machine in front of her home Wednesday evening, and Thursday morning she found the contents of the glove compartment gone, police report.

The automobile was not locked, police said.

September 13 Is Daly City Day At County Fair

Daly City, along with San Bruno and Brisbane, will have its day at the San Mateo County Fair and Floral Fiesta September 13, it was announced today.

Theme of the show, "Fairyland," is being used by these communities in their activities of the day. A show tent with a seating capacity of 2,500 is being made available until 6 p.m. to the communities for their programs.

At 7 and 9 each evening the tent will be used for free vaudeville shows of outstanding professional talent.

Meanwhile, space for commercial exhibits at the San Mateo County Fair and Floral Fiesta is being rapidly taken up by firms anticipating a highly successful show in September, according to William Wilson, manager. Contracts have been signed and filed by many former exhibitors, however some contracts are still outstanding with no space reserved.

In the meantime, according to Wilson, several new firms have inquired at the Administration office on 25th avenue, San Mateo for commercial space in either the Fiesta building or the Pacific Pavilion. On Saturday two new firms voluntarily applied for and were alloted space in the Fiesta building.

Commercial exhibitors contemplating to have space at the automobile show or in either the Fiesta building or the Pacific pavilion should either sign and return outstanding contracts at once or contact the administration office to reserve space, according to Wilson.

SOCIAL SECURITY

Last week, I told what kind of payments could be made to J. Wilbur Worker and his family during Wilbur's lifetime under the old-age and survivors insurance program. Today, I'll show the protection Wilbur's family will have if he dies, at whatever age, assuming he had worked on social security jobs the required time.

The following survivors may receive benefits, if qualifications are met and applications filed with the social security office:

1. His children, provided they are unmarried and under 18, were supported by him, and are not earning more than $14.99 a month on a job covered by social security.

2. His widow, under 65, provided she has his unmarried children under 18 in her care, was living with Wilbur or receiving support from him, and is not earning more than $14.99 a month on a job covered by social security. (These benefits end when the youngest child is 18.)

3. His widow, 65 or over, provided she has not re-married, was living with or supported by Wilbur when he died, and is not earning more than $14.99 a month on a job covered by social security.

4. His parents, 65 or over, provided Wilbur left no widow or child who might ever be eligible for benefits, the parents were chiefly supported by Wilbur, and are not earning more than $14.99 a month on a job covered by social security. (These benefits normally continue for life.)

A single lump-sum payment is made when there is no one eligible for monthly benefits at the time of death. This goes to the widow, or to the person paying the burial expenses.
